NEW MEMBER RESOURCES

Welcome to Rotary!

Rotary is proud to welcome you to our global community of more than 1.2 million Rotary and Rotaract members dedicated to building a better world.

You make Rotary stronger. By adding your skills, experience, and enthusiasm to your club, you can advance communities at home and on a global scale. Together, we can eradicate polio, train more skilled peacemakers, and provide lasting solutions for communities fighting disease, hunger, illiteracy, and poverty.

Through the Rotary community, you can exchange ideas and build lifelong friendships with people who share your passion for service. Take advantage of the resources and activities available through your club, district, and Rotary International to make your experience with Rotary both rewarding and fun.

How do I start?

There are many ways to make the most out of your [Rotary experience](#).

Get started today:

- Sign up for a My Rotary account to access the [benefits of Rotary](#)
- Learn about Rotary and The Rotary Foundation in [Rotary Basics](#)
- Take a course in the [Learning Center](#)
- Serve on a club committee where you can use your skills
- Identify a need in your community and suggest a hands-on project to address it

Stay Connected — Join Our Rotary Club WhatsApp Group!

Rotary has always been about connections — connections to service, to our community, and to each other. In today's world, staying connected has never been easier, but it does require trying something new from time to time.

That's why The Rotary Club of Fort Lauderdale invites all members, especially those of us from the Baby Boomer generation, to join our club's official WhatsApp Group. Think of it as the digital version of gathering around the lunch table — friendly, informal, and a great way to stay in touch between meetings.

Why consider joining?

- **Stay in the Loop:** Receive timely updates, reminders, and news from fellow Rotarians — all in one easy-to-use app.
- **Foster Friendships:** Share photos, celebrate milestones, and enjoy light conversation beyond the weekly meetings.
- **It's Simple:** If you can send a text message, you can use WhatsApp. No technical expertise required.
- **Privacy is Protected:** Only club members are included. It's a closed group meant just for us.

Rotary is built on relationships, and this is simply another tool to help strengthen the bonds we've already built. Whether you're snowbirding, traveling, or just busy with life, WhatsApp keeps you part of the conversation.

Ready to give it a try?

Click the links below to join or reach out to [Barbara Sanchez](#) or [Carol Koepke](#) for help getting set up. You'll be surprised how easy — and enjoyable — it is.

Let's keep Rotary strong, connected, and moving forward — together.

New Mobile App - IGNITE

Stay Connected with the New IGNITE App!

Great news — the new IGNITE App is here! It's a simple, fun way to stay up to date with everything happening in Rotary. You can check upcoming events, see what other clubs are doing, and connect with members — all right from your phone.

Here's how to get started:

For iPhone users:

A few quick tips:

The IGNITE App is designed to make Rotary engagement easier (and a bit more fun). Give it a try today and stay connected wherever you are!

What is the IGNITE App?

The Ignite App is a mobile app for smartphones and tablets designed by DACdb. This app takes the most common tools and features from DACdb and makes them easier and more convenient to use from your mobile device. Whether you love or loath DACdb, you're sure to find their new Ignite App to be both clean and simple to use. The screens are clutter-free making it effortless to find exactly what you need.

How to Download the IGNITE App:

1. Open up the App Store (Apple) or Google Play Store (Android) on your device.
2. Enter "Ignite" in the search bar.
3. Scroll down until you find the IGNITE app and click on the red fire icon.
4. Download the app by clicking the "Get" or "Install" button.

Sign in to the IGNITE App:

Simply enter your DACdb login credentials.

Remember, IGNITE is powered by (and is effectively just a better version of) DACdb.

- Username: This is your email address (the one you received this message on)
- Password: If you don't remember your DACdb password you can reset it by going to www.DACdb.com and click "Forgot/Reset Password?"

IGNITE App Features!

- Log service hours in seconds from anywhere
- View club calendar
- Look-up, call, text, or email club members directly
- Send messages within the app to club members (like Facebook Messenger)
- Check your foundation points (Paul Harris Fellow)
- Donate directly and securely to Rotary Foundation
- Share photos with our Public Image Committee to use on social media/website
- Add prospective members
- Pay dues (not available at this time)

THE FOUR-WAY TEST OF THE THINGS WE THINK, SAY, OR DO:

1. Is it the TRUTH? 2. Is it FAIR to all concerned? 3. Will it build GOODWILL and BETTER FRIENDSHIPS? 4. Will it be BENEFICIAL to all concerned?
