#### Stay Connected — Join Our Rotary Club WhatsApp Group!

Rotary has always been about connections — connections to service, to our community, and to each other. In today's world, staying connected has never been easier, but it does require trying something new from time to time.

That's why The Rotary Club of Fort Lauderdale invites all members, especially those of us from the Baby Boomer generation, to join our club's official **WhatsApp Group**. Think of it as the digital version of gathering around the lunch table — friendly, informal, and a great way to stay in touch between meetings.

#### Why consider joining?

- **Stay in the Loop:** Receive timely updates, reminders, and news from fellow Rotarians — all in one easy-to-use app.
- **Foster Friendships:** Share photos, celebrate milestones, and enjoy light conversation beyond the weekly meetings.
- **It's Simple:** If you can send a text message, you can use WhatsApp. No technical expertise required.
- **Privacy is Protected:** Only club members are included. It's a closed group meant just for us.

Rotary is built on relationships, and this is simply another tool to help strengthen the bonds we've already built. Whether you're snowbirding, traveling, or just busy with life, WhatsApp keeps you part of the conversation.

**Ready to give it a try?**

Click the links below to join or reach out to [Barbara Sanchez](#) for help getting set up. You'll be surprised how easy — and enjoyable — it is.

**Let's keep Rotary strong, connected, and moving forward — together.**

### MATERNAL AND CHILD HEALTH MONTH

**Rotary**   
Club of Fort Lauderdale

Rotary makes high-quality healthcare available to vulnerable mothers and children so they can live longer and grow stronger.

We expand access to quality care, so mothers and children everywhere can have the same opportunities for a healthy future. An estimated 5.9 million children under the age of five die each year because of malnutrition, inadequate health care, and poor sanitation — all of which can be prevented.
