Message from Mark

HAPPY NEW YEAR — I look forward to serving alongside you during this New Year as we get to know each other better and Unite for Good!

THIS WEDNESDAY — Our guest speaker is Terri Wu and her topic will be "Chinese Cultural Heritage & Shen Yun."

Terri Wu is a seasoned journalist on U.S.-China issues and the host of the [China Watch](#) podcast. Having grown up in Communist China, she was forced into a singular worldview, which, among many things, taught her to look down on her history and embrace only modern ideas. After becoming an American citizen and discovering the treasures of her cultural heritage, which

had been hidden from her, she not only found her identity as a Chinese American but also the many similarities between traditional Chinese and Western cultures, beneath the surface.

We still have some leadership opportunities and I encourage you to seriously think about stepping into a role that might challenge you. I'm glad to discuss these roles with you and help you decide whether one might be right for you:

- Board Leadership
- Service Projects Coordinator
- Public Image
- Youth Services
- Sergeant-at-Arms
- Fundraising and Event Planning

Please reply to this email and we can schedule a time to meet soon.

Yours In Service,
Mark
