Message from Mark

Thanks for your support!

If you have not been to a meeting lately, you might not know that Cyndi is in chemotherapy and immunotherapy treatments and we both have been overwhelmed with your support! Many have stepped up to take over some of our responsibilities while we go through this journey for which we are extremely grateful.

This might be an opportunity for YOU to consider stepping up into a role to help your club. Please ask yourself WHY you joined Rotary and if you are fulfilling your WHY. Below are a few examples of leadership opportunities currently available and some coming up. Many don't take much time but need someone to lead the way.

YOUTH — several opportunities are available, so if you have a calling to make a difference in a young person's life, contact me and we can discuss what is available.

Mental Health Resources — our club needs a Champion - minimal commitment with HUGE impact!

Pickleball Fundraiser Committee — Help Chris make this the best event yet! Contact [CHRIS ROBINSON](#)

Club Board Member — Our President-Elect, Indira, will be putting her board together in December and needs NEW blood to keep our club moving forward! If you'd like to explore opportunities, even if BRAND new to our club, contact [INDIRA DONEGAN](#).
