2025-26 District Grant Applications ROUND 2

Got a great idea for a community project? **Now's your chance to make it happen!** Due to your contributions 3 years ago, District 7620 will receive approximately \$100,000 in DDF for 2025-26 for small, impactful grants. While we are still evaluating awards in the first round of applications that ended 31 May, we have determined that we will have funds for a second round.

Commencing 1 July, the District is accepting new and updated applications for matching DDF for 2025-26 grants. Rotary Clubs are invited to submit applications for matching DDF for their projects. In addition, this is an opportunity to improve and update any applications that were not chosen in the first round.

All **applications and updates must be submitted in DACdb by 31 July**. The Grants Guide with its numerous supporting documents, found on the District website under the Foundation tab, details the requirements for District and Global Grants.

What Makes a Winning Application? The District Grants Committee will evaluate projects based on:

- **Project Objectives** – Clear need, strong community input, and alignment with Rotary's Focus Areas.
- **Project Design & Management** – Well-defined roles, responsibilities, and timelines, including *letters of commitment from all participating organizations*.
- **Impact & Sustainability** – Measurable outcomes, data-backed success, and long-term benefits.
- **Financial Feasibility** – A detailed budget with *supporting quotes or other documentation justifying the budget*.

Need Help? Have an idea but not sure where to start? **Reach out!** The District Grants Committee is happy to discuss your project and guide you through the process.
