Subject: Some Guidelines for Dist Coordinators - RLI

Good afternoon, District RLI Coordinators --

Every once in a while, I receive questions and comments as the HOA-RLI Treasurer about various things we as District Coordinators come up against (yes, I've been one, too, for the last five years!). The HOA-RLI Finance Committee thought it might be helpful to provide some guidance to you on 3-4 of these common questions and issues. Accordingly, I've prepared some guidelines for you and those are attached in a Word document.

If you are not currently the District Coordinator for your district, it would be most appreciated if (a) you would forward this email and the attachment to the current DC, and (b) send me a note with the current DC's contact information so I can bring our records up to date.

If you have questions or comments, please direct those to me only, not to the entire group of 25 or so persons. I will respond to you directly, and if it is something that everyone should be made aware of that, I will share it with everyone. I hope you find these guidelines helpful, and I thank you for all you do to make RLI a success in Zones 30 and 31!

Jerry
Jerry W. Venters, HOA-RLI Treasurer
