Presidents-Elect  
Training Seminar

# R. Gordon R. McNally

President-elect 2022-23  
Rotary Club of South Queensferry  
West Lothian, Scotland

27 January 2023

Dear President elect,

Welcome to your President-elect Training Seminar, one of the most important learning events you will ever attend in Rotary.

Club presidents play a vital role in the success of our organization. Your guidance, and your example, are essential in getting the members of your club enthusiastic and engaged. You can help the club grow and help plan service projects with a lasting impact. Your Rotary club's success depends, to a very large extent, on how you will lead it.

This year, as we note all the ways that Rotary Creates Hope in the World, I am asking Club Presidents to follow through on some important tasks, including:

1. Have at least one strategic meeting a year to ensure your club aligns with Rotary's Action Plan.
2. Nurture new members carefully to ensure they truly become part of the club.
3. Continue your club's efforts to support our Rotary Foundation.  
I would like to see every member make some personal donation; it would send a powerful message worldwide.
4. I would also ask you to explore ways to support our new Mental Health initiative.

This PETS will provide you with the information and skills you'll need to succeed as president of your club. I hope that you will leave this meeting with a feeling of confidence, knowing that you are prepared to guide your club in setting and achieving ambitious goals for the Rotary year to come. With your leadership, your club can and will strengthen your community, and make the world a better place for all who live in it.

Congratulations on your election as club president. I look forward to working alongside you and to a year of great accomplishments as Rotary Creates Hope in the World.

Kindest Regards,

A handwritten signature in black ink, appearing to read 'Gordon'.

R. Gordon R. McNally  
President, Rotary International 2023-24

# Carol Hughes

Past District Governor,  
District 6670  
2023 All Ohio PETS General Chair

Dear Presidents-Elect, Spouse/Partners and  
Guests,

On behalf of our Governors-Elect and the Steering Committee, I warmly welcome you to All Ohio PETS. The AOP Steering committee and especially your District Governors-Elect have planned an event that we hope will be memorable and transformational. Our focus is on providing an experience that will serve to prepare, inspire, and engage you as you assume one of the most important roles in the Rotary world, your Club President.

This weekend you will hear from a group of fantastic speakers, and you will participate in learning experiences that have been very well developed and designed. Also, there will be ample opportunities to network, share best practices, make new friends and renew old relationships. As with any event such as this, you will get out of it what you put into it. I urge you to immerse yourself in this experience by being present, actively engaged and involved throughout the weekend.

We are fortunate to have our Rotary International President-Elect (RIPE), Gordon McNally with us this year. He has graciously agreed to provide words of wisdom and conduct your Commissioning Ceremony on Saturday evening; this will be a special event. Our theme for the upcoming year, as provided by our RIPE, is "Create Hope in the World." Let us begin the process of making this theme a reality by living it throughout this weekend.

Thank you for accepting the call to serve as leader of your Rotary Club during the upcoming year. It is a very important responsibility for which you are uniquely qualified. We hope that you will serve as a catalyst in leading our organization forward to higher levels of success.

Enjoy your experience and feel free to reach out to any of the members of the AOP Steering Committee, volunteers or me if we can be of service to you.

All the best,

Carol Hughes

# R. Gordon R. McInally

President-elect 2022-23  
Rotary Club of South Queensferry  
West Lothian, Scotland

R. Gordon R. McInally is president-elect of Rotary International. He was educated at the Royal High School in Edinburgh and at the University of Dundee, where he earned his graduate degree in dental surgery. He operated his own dental practice in Edinburgh until 2016. Gordon was chair of the East of Scotland branch of the British Paedodontic Society and has held various academic positions. He has also served as a presbytery elder, chair of the Queensferry parish congregational board, and commissioner to the general assembly of the Church of Scotland.

Gordon joined Rotary in 1984 at age 26. A member of the Rotary Club of South Queensferry, he has served as president and vice president of Rotary International in Great Britain and Ireland (RIBI). He has also served RI as a director and on several committees, including as an adviser to the 2022 Houston Convention Committee and chair of the Operations Review Committee.

Gordon says he looks forward to working with members to build new Rotary clubs and groups. “My vision is that Rotary should exist everywhere in a style to suit everyone who has the desire to be part of us and to help us do good in the world,” he says.

Gordon is a patron of the UK-based nonprofit Hope and Homes for Children and led a partnership between that organization and RIBI to support children in Rwanda who had been orphaned in the genocide there. He is a patron of Trade-Aid, an initiative of the Rotary Club of Grantham Kesteven, Lincolnshire, England, that provides sustainable humanitarian aid to individuals, families, and businesses in the developing world. He is also an ambassador for Bipolar UK, a national mental health organization.

In his free time, Gordon enjoys rugby, good food and wine, and stick dressing, the traditional Scottish craft of making walking sticks.

Gordon describes The Rotary Foundation as “the fuel that provides the energy to do Rotary service.” He and his spouse, Heather, also a Rotarian, are Paul Harris Fellows, Major Donors, and Benefactors of The Rotary Foundation. They are also members of the Bequest Society.

Gordon wishes to dedicate his presidency to making the world a better place for his granddaughters, Ivy and Florence, to live and thrive.

# Beth Stubbs

Rotary International Director  
Rotary Club of Maryville, Tennessee USA

Beth Stubbs is a certified public accountant (CPA) who earned her degree at Plymouth State College. After working as a CPA at a Maryville firm, she set up her own private practice in 1994, focusing on consulting to small business owners on account management, finances, and exit strategies. She also worked as chief financial officer for her husband's business, Trinity Benefit Advisors, for 14 years. Stubbs is a member of the American Institute of Certified Public Accountants and the Tennessee Society of Public Accountants.

Stubbs, who first started frequenting Rotary club meetings at age eight with her father, joined the Rotary Club of Maryville in 1991. She served her district in several capacities including as chair of its finance, Foundation, and leadership development and education committees. Stubbs has attended 21 international conventions, traveled to New York City for UN Day for Rotary, served in a National Immunization Day in India, traveled to Mexico for club partnership projects, and attended various Zone meetings around the country.

During one zone meeting in New Orleans she attended with a Rotary friend – before either had yet served as club president – she learned about programs neither one of them had previously heard about, such as ambassadorial scholarships and Group Study Exchange. Inspired after the meeting, she and her friend worked together to help set up these activities in her district. “We saw there was a whole world to Rotary and we wanted to bring it to Maryville,” Stubbs says

In addition to bagging and delivering food with her “small but mighty” Maryville Club to needy schoolchildren, Stubbs has worked with her District to raise \$1.3 million for polio eradication through the sale of “purple pinky” donuts and other fundraisers. The satellite club she helped start in her district is still going strong. “I look forward to applying my skills as a CFO on the Board, and to working with clubs in my zones to build the knowledge base about Rotary and its possibilities,” Stubbs says.

She has served on the boards of local nonprofits including at Michael Dunn Center, which helps individuals with developmental disabilities and at Asbury Place, a regional retirement community organization. She also served in officer positions in Toastmasters International and is active on several committees at her church. In her spare time, she enjoys reading, traveling, and attending football and basketball games at the University of Tennessee.

She and her husband, Tony, support The Rotary Foundation as Arch Klumph Society members.

# John Blount

Rotary International Director,  
2009-2011

Rotary Club of Sebastopol,  
California

John Blount began a lifelong investment in Rotary when he joined the Rotary Club of Sebastopol at the age of 27.

In the recent past he served two years on Rotary International's Board of Directors; then chaired RI's global Communications Committee for two years. He led Rotary's elite world-wide training program for all incoming Governors, as Moderator of the 2015 International Assembly.

Recently, he collaborated with Rotary International professionals on the innovative and outstanding opening and closing programs at the Seoul Convention. He was the program coordinator for the 2018 Toronto RI Convention and was the General Chair of the successful 2019 Convention in Hamburg, Germany. He also just completed a three year term on the Rotary Foundation Peace Centers Committee.

For the past 35 years he has trained leaders in business, non-profit entities, and Rotary organizations in principles of leadership, communication, event-planning, organizational membership and program development. Throughout his Rotary experience he has been acknowledged as a strategist and leader in building Rotary's future, serving on committees that often conceived and developed new concepts for Rotary's organization and operations.

Dr. Blount has recently retired as a dentist in private practice in Sebastopol, California but his background as a musical performer, motivational speaker, and writer and producer of multi-media presentations, including virtual events, guarantees a delightful experience for those who enjoy hearing about Rotary and what it accomplishes.

# Our Causes

Rotary is dedicated to seven areas of focus to build international relationships, improve lives, and create a better world to support our peace efforts and end polio forever.

## PROMOTING PEACE

Rotary encourages conversations to foster understanding within and across cultures. We train adults and young leaders to prevent and mediate conflict and help refugees who have fled dangerous areas.

## FIGHTING DISEASE

We educate and equip communities to stop the spread of life-threatening diseases like polio, HIV/AIDS, and malaria. We improve and expand access to low-cost and free health care in developing

## PROVIDING CLEAN WATER, SANITATION, AND HYGIENE

We support local solutions to bring clean water, sanitation, and hygiene to more people every day. We don't just build wells and walk away. We share our expertise with community leaders and educators to make sure our projects succeed long-term.

## SAVING MOTHERS AND CHILDREN

Nearly 6 million children under the age of five die each year because of malnutrition, poor health care, and inadequate sanitation. We expand access to quality care, so mothers and their children can live and grow stronger.

## SUPPORTING EDUCATION

More than 775 million people over the age of 15 are illiterate. Our goal is to strengthen the capacity of communities to support basic education and literacy, reduce gender disparity in education, and increase adult literacy.

## GROWING LOCAL ECONOMIES

We carry out service projects that enhance economic and community development and create opportunities for decent and productive work for young and old. We also strengthen local entrepreneurs and community leaders, particularly women, in impoverished communities.

## PROTECTING THE ENVIRONMENT

Rotary members are tackling environmental issues the way they always do: coming up with projects, using their connections to change policy and planning for the future.
