ACCESSING THE LEARNING CENTER ON YOUR SMARTPHONE

If you've never been to the Learning Center before, you need to access it for the first time on a desktop or laptop computer and accept the privacy policy. Then you can download the RotaryLearn app to use the Learning Center on your smartphone.
SYSTEM REQUIREMENTS

You can download the RotaryLearn app for iOS or Android. The Learning Center mobile app, RotaryLearn, works best with iOS 13 or higher or Android 9 or higher. Learn what version you have.

For iOS (iPhone):
1. Open the **Settings** app.
2. Tap **General**.
3. Tap **About**.
4. Check **iOS Version**.

For Android:
1. Open the **Settings** app.
2. Tap **About phone.**
3. For some phones, you'll need to tap **Software information**.
4. Check **Android version**.

How to close the RotaryLearn App

For iPhone X and newer:
1. Swipe up to see the multitasking view.
2. Swipe up on the app to close.

Android
1. Open settings and choose **Apps**.
2. In the list of apps, scroll down to find **RotaryLearn**. Tap it.
3. Use the **Force stop** button. Confirm your choice when prompted.

Note that the RotaryLearn app has some limitations, including in some of the interactive learning options. You'll need to use a computer to download certificates or view additional resources.

Links to the Learning Center may not work on smartphones. To find specific courses and materials, use the search in your mobile view.
