

Rotary Elevator Speech –What is Rotary?

We are a network of people like you. In fact, we're the original social networking organization. More than 1 million of us live just about everywhere in the world. We get together to exchange ideas, grow our businesses and make new friends. We believe in high ethical standards, service locally and worldwide to those in need, and the advancement of goodwill and peace. We're right around the corner. Come join us.

The name is Rotary – Rotary International!
