## Rotary Welcomes You to Oceanside

## Are you looking to be more involved in your new community?

Rotary is a global network of 1.2 million neighbors, friends, leaders, and problem-solvers who see a world where people unite and take action to create lasting change – across the globe, in our communities, and in ourselves. From literacy and peace to water and health, Rotarians are always working to better our world, and they stay committed until the end.
