A Rotary Home Run

The board of directors approved a \$250 sponsorship for the **Junior Ravens 12U baseball team**. The request for funds was received through the club's mailbox. The

packet included a handwritten note from **Pablo Herman**, as well as a Rotary banner from Belgium. Pablo explained the banner resulted from a visit by his family, including his grandfather who lives in Mexico, with some Rotary families in Belgium. His grandfather once visited our club while visiting Pablo's family, as well. The donation goes to support Pablo's team for the 2026 season. Equipment, registration fees, insurance and other expenses are the responsibility of the team. Indoor facilities and other support exist through the Redmond Youth Sports Club, a 501(c)3. **Pablo and his mom plan to attend a lunch meeting this month to say thank you** and present the Belgium banner. Little did Pablo know his Rotary family in Mexico would help him hit a home run in Redmond!
