## This Week's Meeting

Our guest speaker this week is **Steve Ross, PhD**. Dr. Ross retired in November 2014, but he continued various projects and continues to publish. His last offshore project was as Chief Scientist for Ocean Gate Expeditions (2021—2023), which used the deep submersible *Titan*.

## A 5th Thursday Social Next Week

With no luncheon meeting next week, we will enjoy a 5th Thursday social. It will be held at **Gompers Distillery**, 611 NE Jackpine Ct #8, on Thursday, Oct 30th. 5-7 PM. Light snack and 2 drinks provided. 1920's Prohibition-era clothing is optional, but encouraged since this is a **speakeasy**.

**A Salute to our Veterans.** With Veterans Day approaching next month on November 11th, we would like to honor veterans at the meeting on November 6th.

**The list of known club veterans include:** Marv Kaplan, Charan Cline, Joe Kosanovic, Walter Nelson, John Neilson, Dave Brenneman, Craig Brooks, Clifford Evelyn, Spike Biggers, Rick Phelps, Ryan Sale, Rick Nissen, Rocky Johnson, Jeff Casserly, and Norm Fiet. *If you are a veteran and not on this list, email Joe Kosanovic. #PeopleofAction

Named after the sixth president of Rotary, the Arch Klumph Society recognizes The Rotary Foundation's highest tier of donors — those who have contributed \$250,000 or more during their lifetime. **Membership in the Arch Klumph Society is lifelong.** Each member has the opportunity to have a portrait placed in the Arch Klumph Society Gallery, located on the 17th floor of Rotary International World Headquarters in Evanston, Illinois. Portraits are etched on glass plaques to create a stunning display of our Foundation's most valued supporters. *Congratulations.*
