Rotary Friendship Exchange

We welcomed four **Rotarians from the Philippines** last Thursday at our weekly luncheon meeting as part of the **Rotary Friendship Exchange**. Paul Spain did a wonderful job with all the details for their four-day visit to Central Oregon, including travel itinerary, transportation over the mountains and serving as tour guide. They had a very memorable visit with a great appreciation for our Redmond hospitality. Watch the [VIDEO](#)

Youth Exchange

Rocco Anello-Dennee, son of club member Angelina Anello-Dennee, is headed to Spain with the Rotary Youth Exchange. Rocco gave a presentation last Thursday speaking in Spanish & English, summarizing his appreciation and excitement as an exchange student living abroad. The purpose of the Rotary Youth Exchange program is to provide a high school student with the opportunity to travel abroad, live with host families, and experience life firsthand in a different country, school and social environment. We wish him the best for a memorable year studying in Spain.
