NO Meeting this week 5th Thursday

Deschutes County Fair

We have two months until our largest fundraiser, the County Fair, begins on Wednesday, July 30th. **We need to fill 199 volunteer gate slots** for ticket sellers and scanners. **Currently, the sign-ups have filled 39% or 79 positions filled.** There are 10 members who will serve as Captains to manage daily activities. Members are strongly encouraged to fill in as many as possible. We also need every member to recruit additional volunteers to assist. If every one of

our 64 members recruits one or two additional volunteers, we'll have no problem staffing the gates at 100%.

Here are the sign-up links for each day of the fair.

Weekly Member Profile

Angelina Anello-Dennee

Private Music & Theater Arts Instructor | Tour Associate at WorldStrides

With over 25 years of experience as a teacher, director, and arts leader, Angelina has dedicated her career to helping young people grow through music and theater. From Broadway actors to recording artists, many of her former students have gone on to shine on national and international stages — a legacy she is deeply proud of.

Currently, Angelina splits her time between running Musical Impressions Studios, where she teaches voice and piano, and coordinating performance tours with WorldStrides. She has also directed or music-directed over 40 youth and community theater productions and has led large teams through both educational and artistic ventures.

Angelina joined Rotary after seeing the life-changing

impact a short-term youth exchange had on her oldest son. The vision that international exchange can lead to world peace truly inspired her. She's passionate about connecting across cultures, building community, and contributing to global understanding.

In the past year, while her youngest son, Rocco, has been on a Rotary Youth Exchange in Alicante Spain, she has traveled through 14 European countries with her husband, connecting with local Rotary Clubs along the way — including one in Istanbul that is launching a new Rotary Peace Center ([Rotary Peace Center Istanbul](#)). These experiences have transformed my perspective and deepened my commitment to Rotary's mission.

When she's not teaching or touring, you'll find her exploring the arts, engaging in local service, or learning about new cultures. She believes in the power of music, mentorship, and meaningful connection to create a better world.

Here are photos of Rocco and Angelina in Alicante during a recent visit and a picture of both with his Rotary friends!
