Welcome New Member

A warm Rotarian to **Tim Dugan**, our newest member, seen here with President Janice Burges and his wife Renée. Tim owns and operates Compression Engineering Corporation, an expert consulting engineering firm. Tim and Renée love the Dry Canyon so they built a home on the rim after recently moving to Redmond. Welcome to Redmond and Rotary, we're certainly happy you could join our club and the wonderful community.

Jump Show Needs Sponsors

We still need help acquiring sponsors for the **Jump Show**. We are at \$3,750 of our \$10,000 goal. We need leads on companies/persons name, phone # and/or email address to make contact. Any new lead will certainly be appreciated. Send info to: justin.homan@amerititle.com
