## This Week

This week's luncheon meeting will feature **Hunter Neubauer from Oregrown**. Since 2013 when Oregon legalized recreational cannabis, Oregrown, with four locations, boasts a well educated staff with products that are top shelf, clean, and local. Redmond will now have local stores after the measure was passed by city council.

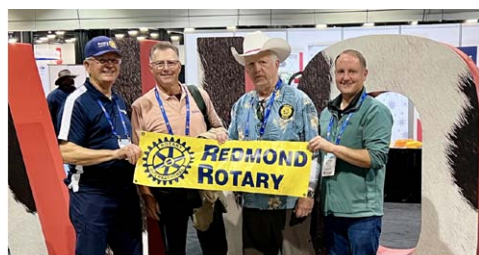

**In SIX WEEKS**, the **County Fair** begins on Wednesday, July 30th. **We need to fill all 199 volunteer gate slots** for ticket sellers and scanners. Members are strongly encouraged to fill in as many as possible. We also need *every member to recruit additional volunteers* to assist. Here are the sign-up links for each day of the fair.

[WEDNESDAY](#) - [THURSDAY](#) - [FRIDAY](#) - [SATURDAY](#) - [SUNDAY](#)

**End-of-the-Year BBO - Leadership Changeover - Paul hands the gavel to Branegan on Saturday, June 28th. Please sign up with Janice Burges. [INFO POSTER](#)**

**FAREWELL TO SARKA** - Since August of last year, when we welcomed Sarka at the airport, she has continued to touch our hearts with enduring memories. Now, it will be bittersweet to say goodbye! Mark your calendar and stop by Ryan & Jill's for an open-house-style, dessert get-together on June 30, 6:00pm-9pm. *Bring your favorite sweet treat to wish Sarka the best as she travels home!*

**Calgary, Canada** hosted the **2025 Annual Rotary International Convention**, drawing over 20,000 attendees from 54 countries. Spanning five days, the global gathering featured a robust program of keynote speakers, breakout sessions, and networking opportunities, all aimed at fostering international collaboration and service. Rotarians from around the world poured into the convention center like a human mosaic. **President Paul Spain, Joe Kosanovic, Keever Henry, and Rick Phelps** were part of the mixture, eager to meet fellow Rotarians from all corners of the globe, experience Canadian culture, the big city, sightseeing, and entertainment. The convention served

as a platform for Rotarians worldwide to share ideas, celebrate community impact, and explore innovative solutions to pressing global issues. The “House of Friendship” was an incredibly large assortment of booths to explore. *One booth in particular, “The Magic of Rotary” was hosted by our very own club magician.*

## WEEKLY MEMBER PROFILE

### Reneé Dugan

A native of Southern California, Reneé has been an Oregonian since 1988, when she and Tim got married. Reneé and Tim moved to Redmond in December 2023 after living in the Portland area for 35 years. They have three grown children and are enjoying starting their empty nest years in Central Oregon. They became grandparents in March 2024.

After taking piano lessons since age 8, Reneé decided to pursue music in college and received her Bachelor of Arts in Music from Portland State University in 1991. She maintains a private piano studio and has taught music for almost 40 years. All three of the Dugan children (Bethany, Talia and David) started their musical education under Renee’s tutelage and continue playing to this day (two of them also earned degrees in

music).

Reneé has been a collaborative pianist, accompanying choirs and soloists. She has also served as a church pianist. Last year she started two performance groups out of her home -- the realization of her vision of bringing community members together through their common love of music.

Reneé loves reading, cooking, participating in Zumba classes, going for walks in the Dry Canyon -- and keeping up with energetic hubby Tim! She and Tim are active in their local church community. Renee’s passion is bringing people together, and she and Tim love to host people in their home. They love to hear their doorbell unexpectedly ring, so come on over!

Reneé is new to Rotary this year. She joined because she wanted to meet new people and get more involved in serving our local community.
