## Deschutes County Fair

**Next month** is our largest fundraiser, the County Fair which begins on Wednesday, July 30th. **We need to fill 199 volunteer gate slots** for ticket sellers and scanners. Members are strongly encouraged to fill in as many as possible. We also need every member to recruit additional volunteers to assist. If every one of our 64 members recruits one or two additional volunteers, we'll have no problem staffing the gates at 100%. Here are the sign-up

## **Weekly Member Profile**

### **Sharon Calhoun**

Sharon grew up in Southern California and married her childhood sweetheart, Mike. They have been together for 44 years and have a son, Noah, a senior graduating from Bend Senior High School on June 7<sup>th</sup>. He'll be attending the University of Oregon in the fall studying bio-chemistry. Sharon attended UCSB, UCI and graduated from Cal Poly, with a BS degree in Marketing and Management. (She was

a Gaucho, an Anteater and a Mustang!)

The family moved to Bend in 2005 from Maui after living there for 15 years. Sharon says that they have been fortunate living in some of the most beautiful places!

Sharon had her son when she was 41, and didn't find out she was pregnant until she was 4 months in! He's been the biggest blessing in their lives and he's turned out to be such an incredible human being. They are so very proud of him!

Sharon has been in the banking industry for over 34 years and has worked for eight different financial institutions. (Remember the downturn in 2008 where there were many acquisitions in the banking world!) Her background is in commercial banking, but she's really enjoying learning how credit unions operate contributing hugely to the communities where they are located.

Sharon has been a Rotarian for approximately twenty-five years combined and in five different clubs. She had the honor of attending the Rotary International Convention the year Rotary celebrated its 100-year anniversary in Chicago.

In her free time, Sharon enjoys golfing, hiking, walking the dog and trying to figure out where her son is on the "Find My" app! Fun fact: Sharon and husband Mike were playing golf in Maui when Clint Eastwood and his manager joined them to play the last 6 holes! Eastwood said Sharon had a "smooth swing!"
