Sarka touched our hearts.

As part of the **Rotary Youth Exchange** program, Sarka flew in from the Czech Republic to our community for the 2022-25 school year. From the moment we met her at the airport, she displayed poise, maturity, and arefulgent personality.

Living with host family, Jill and Ryan, and supported by the Redmond Rotary Club of Redmond, Sarka gained a deep understanding of American culture. Embracing both academics and extracurricular life, Sarka became an active member of the Ridgeview high school's basketball team. Throughout her stay, she built strong relationships while developing leadership skills and proving that friendships can transcend language and

cultural differences. Rotary's mission of promoting peace and global understanding comes alive through students like Sarka, whose presence bridges cultures while contributing to the school spirit, community involvement and local life. Watch the: **Farewell Sarka VIDEO.**
