This Week's Meeting

This week's luncheon meeting will feature member **Anna Contreras** representing St. Charles Foundation, discussing the Redmond Cancer Center and *Heaven Can Wait*, a race to benefit Sara's Project for breast cancer education and patient support.

Respond to rotaryredmond@gmail.com to confirm your attendance. If inviting a guest, include their name with your reply.

Staff Appreciation Breakfast

Next Wednesday we will honor the dedicated teachers and staff of our Redmond School District by hosting our annual **Staff Appreciation Breakfast**. This event celebrates the start of a new school year and recognizes the difference these educators make in our community every day. *All are invited to be on hand to serve breakfast, share appreciation, and kick off their school year with gratitude and encouragement. Wear your T-shirt.*

This event is our way of saying *thank you* to the teachers, administrators, and staff who inspire, guide, and support our students. Together, we're building a stronger community through education.

Volunteers are needed. Open a recent Rotary email to view volunteer opening, then send your request to: marvkaplan1@gmail.com

The **Annual Wild Ride MX13 Jump Show** is scheduled for this Thursday 5:00 to 8:00 at the Wild Ride Brewery at 332 SW 5th Street. This fundraiser brings out the crowds to watch the MX riders perform amazing acrobatics on their motocross bikes.
