UNITE FOR GOOD

This Week's Meeting

He manages the wildlife program supporting the efforts of the District Wildlife Biologists to maintain and restore habitat function for the variety of wildlife species associated with the Forest and Grassland. *Respond to rotaryredmond@gmail.com to confirm your attendance. A Deep Dive into Rotary

The Rotary Leadership Institute (RLI) is your chance to get involved with Rotary learning and leadership. RLI will be held on Saturday, October 4th and Sunday, October 5th on the **Redmond** campus of Central Oregon Community College. Registration will end on September 20th. RLI seeks to provide quality education in Rotary knowledge and leadership skills to Rotarians interested in developing their Rotary participation and to those identified by Rotary Clubs as having potential in club leadership. This educational opportunity will teach skills that will benefit you in their life and in your volunteer service. Look for the email from RLI District Chair, Gary Plano. *Our club will cover 50% of the \$200 tuition. Great opportunity.*

Can you help?

If you would like to volunteer, please see Walter Nelson or give him a call at 925-765-1679.

The annual football game between the **University of Oregon and Oregon State** is scheduled for September 20th. You have a chance to earn a **Paul Harris Award** by selecting the winning square on the grid. See Rocky or Spike at the meeting to buy a square for \$5.00.
