A PAUL HARRIS FELLOW

The board is full...all of the squares have been spoken for. Now we wait to see where the numbers will be arranged to announce the winner of the **Paul Harris Award**. Rocky will draw cards, then place numbers on the board to indicate the final score. Knowing the corresponding numbers prior to the start will make watching the game more exciting. **Good Luck to All.**

## Red to Blue Badge

Congratulations to **Lauren Lebien** for earning her **Rotary Blue Badge**. The purpose of the Red Badge program is to help new members get better acquainted with club members and develop a greater understanding of Rotary, both within District 5110 and Rotary International. When all the program requirements are met, the new member Red Badge is replaced with a permanent Blue Badge.

The **Redmond Senior Center** featured an article about our **Rotary Home Team** in their September issue of **Senior Moments** magazine. You can read it here. ["Shining a Light on Safety"](#)

## Member Profile

### Morgan Sartin

Morgan Sartin was originally from Florida and a proud alumna of the University of South Florida, where she earned her undergraduate degree in Mass Communications with a focus in Public Relations. She later pursued her passion for service and leadership by obtaining a Master of Nonprofit Leadership and Management (MNLN) from Arizona State University.

With over eight years of experience in the nonprofit sector, Morgan has contributed her talents to several impactful organizations, including March of Dimes, Family Tree Relief Nursery, and most recently, Partners In Care, where she serves as their Philanthropy Manager. Morgan is also a wife to Jeremy Sartin and a mother to two young daughters—Charlotte and Olivia. In her free time, Morgan enjoys reading, swimming, kayaking, and bowling.

Morgan and her family have relocated to Redmond, a move that holds special meaning as it is Jeremy's hometown, having graduated from Redmond High School. They are both excited to join the community and begin their new chapter together. We are too, and we're thankful with Morgan's involvement with Rotary.
