October 1st

## This Week's Meeting

Thursday's luncheon will be our **Monthly Business Meeting**. This is an opportunity to review club finances, committee activities, events and future planning. Active engagement and participation from members is encouraged for discussions.

**Respond to [rotaryredmond@gmail.com](mailto:rotaryredmond@gmail.com) to confirm your attendance. If inviting a guest, include their name with your reply.**

## DG Above & Beyond

**District Governor Chris Waugh** visited our club last week, presenting six members with her **"Above & Beyond"** award. Joe Kosanovic, Marv Kaplan, Becky Lu Hummer, Keever Henry, Paul Spain, and Trish Pinkerton.

The annual football game between the **University of Oregon and Oregon State** is scheduled for September 20th. You have a chance to earn a **Paul Harris Award** by selecting the winning square on the grid. See Rocky or Spike at the meeting to buy a square for \$5.00.

Congratulations to Rick Phelps for earning his Paul Harris +4

## Flag City USA – Redmond Pride

On Labor Day, dedicated drivers with volunteers planted over 1,700 flags across Redmond as part of the **Redmond Flag City USA** tradition. Each flag is a symbol of community pride, service, and remembrance. A heartfelt thank you to these volunteers who make the impressive display possible with their commitment to keep Redmond shining bright with USA

flags.

**Spike wins raffle**  
**\$1,071.00**
