ROTARY INSPIRATION

By Christine Waugh

2018-08-12

As a new member of the Eugene Southtowne Rotary Club, I was overwhelmed by the committees that I could join to make a difference. I signed up for Meals on Wheels - a three-hour commitment to deliver lunches to homebound seniors once a month. It didn't seem like much.

My first day, my partner and I delivered fourteen meals. Most of them were quick drop-offs and we were thanked at the door. Except for Mr. X (not his real name.) I introduced myself and said I was from Rotary. He stepped back inviting me to enter, and his small bouncy dog greeted me. I asked his dog's name. His brow slowly furrowed and he became agitated.

TRIPLE CROWN CLUB NEW IN DISTRICT 5110

By Tim Mobley

2018-08-12

There's a new club in our district! It's called the Triple Crown Club and it has its own pin. We know how much Rotarians love pins.

How do you join this club? It's simple: Be a Paul Harris Society member, a Polio Plus Society member, a Bequest Society Member, and a Major Donor.

To be a Paul Harris Society member you need to give \$1000 each year to TRF. To be a Polio Plus Society member you need to agree to give \$100 each year to Polio eradication (TRF) until Polio is declared GONE. To be a Bequest Society member you need to bequeath \$10,000 or more in your will or trust and to be a Major donor, you need to have contributed \$10,000 or more to TRF (this is cumulative over time or any combination of TRF actual dollars).

If you would like to become a member or to check to see if you are a member already

HONEYMOON PERIOD AND ROTARY MEMBERSHIP

By Michele Kellison

2018-08-12

Like most relationships, Rotary has a honeymoon period. During this period, new Rotarians are super excited about Rotary. Unless it has been a shotgun wedding (employer-mandated membership) new Rotarians are enthused about Rotary. During this period they make great ambassadors for your club and Rotary. Encourage them to invite guests to meetings. Often people don't invite guests because of the cost of the meal. Reduce this barrier by allowing each member a certain number of free lunches or have a club policy that all guest's meals are paid for by the club. By reducing the cost of inviting a guest, new and existing members will be able to share Rotary and your club. Next make sure your new members know your club's membership process so they feel comfortable bringing potential members to meetings. New members are great ambassadors for your club and if given some guidance they will be a great source of new Rotarians.

Emergency Disaster Relief

Right now, around 85 million people around the world have been made homeless by natural disaster and conflict. We're working to change this.

By providing emergency shelter and tools for families robbed of their homes by disaster, we're transforming despair into hope.

We are impatient to see a world where no family is left without shelter. Are you?

**Every dollar we raise will
be matched, up to \$1000!**

And for every \$10 you donate, you will receive one entry to win a wonderful prize, donated by a club member!

John Jones and Joan Starr will "shelter" the winner for a weekend at their cabin at Upper Klamath Lake. ShelterBox USA is a registered 501c3 nonprofit organization. Drawing held on Sept. 6, 2018
