Registration for the Rotary Leadership Institute (RLI) is Now Open

By Tim Mobley

2017-04-22

There are two locations and different dates for each location:

Corvallis - September 23rd, October 28th, and December 9th

Medford – September 16th, October 14th, and December 2nd

RLI is professional development or continuing education for any district Rotarian who would like to increase their Rotary knowledge as well as leadership skills for volunteer organizations.

The Rotary Leadership Institute (RLI) is a grassroots leadership development program for Rotarians throughout the world. It is not an official program of Rotary International and is not under its control.

The basic curriculum is modified to meet the needs of Rotarians in District 5110. The curriculum is presented in an interactive and participative manner with the adult learner in mind.

TRF- Honor Thy Mother Fillable Cards

By Charles L. Root

2017-04-22

This year club TRF chairs are being encouraged to inspire club members to give a gift to the Rotary Foundation Annual Fund in honor of their Moms on Mother's Day. In a new District wide initiative called HONOR THY MOTHER I have created five fillable eCARDS that can be emailed to members' Mothers on the day before her special day. This maybe be

especially inspiring for younger members and others who may not have already given to TRF.

I have never told my Mother directly that she has inspired me to give back to the world, so now is my chance. Even during the presentation of her Honorary Paul Harris I do not think the message really got through in the way we all want to portray our gratitude to our parents. Perhaps you feel the same way. And Father's Day cards are also available: HONOR THY FATHER is the same format but different eCARDS.

Residents pour water from a new Rotary funded well in the village of Tonosuano, Ghana in 2014.

HAPPY MOTHER'S DAY

Dear _____, your son _____ has donated

\$ _____

to The Rotary Foundation in honor of you on Mother's Day.

As a member of Rotary, and as your son, he wants you to know how much you have inspired him to give back to the world.

The Rotary Foundation works around the world and in our local communities to assist those most in need in the areas of maternal and child health, disease prevention, clean water and sanitation, education and literacy, economic and community development, and world peace.

Be sure to ask your club TRF chair about these cards.

Baby Red Badgers

By Susan Hanner

2017-04-22

Eugene Southtowne RC is thrilled to have two babies on the way! At this week's club meeting, the babies' moms, Kate Stokes and Stephanie Hirche, were presented with red badges and Rotary T-shirts for their little ones so they will be ready to go when they arrive. We expect there will be great competition for baby-holding honors during our lunches.

Eugene Rotary ArtSpark

By Ravitej Singh Khalsa

2017-01-20

ArtSpark has been officially announced at the January 10th meeting of the Rotary Club of Eugene. The goal of the project is to fund artists in residence at area schools. Budget cuts at schools has resulted in a cut in arts programs. Rotary is coming to the rescue in Eugene by funding and volunteering time with artists who come in to classes and conduct art lessons with projects. Rotary Club of Eugene has been doing this as an experiment for a year and it has been highly successful. Long time reports indicate kids are more engaged in learning when involved with art. And Important esteem build occurs. Self expression and exploring creativity make for more balance in school. The ultimate goal is to reach all kids within four years. The event in April will be fun and festive and promote both arts in the schools and Rotary in the community. You can see a video of the January 10th presentation on the eugenerotary.org website or view directly at the club vimeo site: <https://vimeo.com/199481735>
