INSPIRATION FROM GROUP STUDY EXCHANGE TO ISRAEL

By Ellen Johnson

It is with grateful hearts that the 2019 District 5110 GSE Team returned from Israel. We returned after three weeks feeling grateful not only for the opportunity to visit this country, but grateful to the many people who filled our hearts and souls with indelible images and experiences. Our host families wanted to make sure that we saw (and ate) everything!

Israel is a desert land that bears the scars of the past and even the present, but we found it to be a shiny gem in the Middle East. Standing in sharp contrast to its sandy soil are millions of acres of green, fruit producing trees ♦ pomegranates, loquats, olives, figs and dates. This fertile country continually invents and implements solutions to their most important resource, water, through smart technology. Israel, after all, invented drip irrigation!

PLANT A TREE IN THE NEW PEACE FOREST IN ISRAEL

Israel District 2490 initiated a new Paul Harris Peace Forest in the Desert in February 2019, located in southern Israel near Beer Sheva.

For District clubs, Rotarians, and friends who wish to participate in this initiative through the planting of a tree,

donations will be accepted locally through June 23, 2019. A single tree is \$20, but all donations will be accepted and then combined to purchase trees in the name of District 5110. Checks should be made out to Rotary District 5110. Send to Robert Ball, District 5110 Treasurer, 76828 London Road, Cottage Grove, OR 97424. Please include your full name and address. [Read More](#)

SEEKING CO-CHAIR: 4-WAY TEST SPEECH CONTEST

By Gerry Kosanovic

If you enjoy working with youth and have a passion for advancing Rotary's ethical standard to high school students, this is an opportunity that you will truly embrace. We seek an individual who will serve as co-chair for the 2019-2020 4-Way Test Speech

contest. This annual event involves clubs throughout the district, culminating with student representatives from high schools in Oregon and California competing for cash prizes at the District Conference. It is a volunteer service that is both inspiring and gratifying. And fun. If you like to bring smiles to the faces of others, we need you!

If this sounds like something that you would like to do, contact District Chair, Gerry Kosanovic: drgerryk@gmail.com

**REDMOND AND MT. BACHELOR ROTARY CLUBS
BUILD PEACE GARDEN**

By Marv Kaplan

As a part of their local community service efforts volunteers from the Redmond Rotary Club and the Mt. Bachelor Rotary Club in Bend along with a number of local veteran volunteers have been hard at work over the past two months building a Peace Garden at Central Oregon

Veterans Ranch. The garden is a contemplative spot located in a quiet corner of the ranch. [Read More](#)
