### DG BILL'S GOOD NEWS UPDATE

By Bill Grile

### Post-Surgery Message from DG Bill Grile's daughter, Amy:

"Not even snow-covered roads could keep him from getting that

new valve. Bill had surgery on Tuesday, February 5<sup>th</sup> and is doing remarkable. Dr. Song and his team at OHSU gave him an extended warranty with a double bypass and a new tissue valve. The overachiever was out of ICU in just over 24 hours. He is doing physical therapy walking up and down the halls, is eating without a problem, and keeping all the nurses on their toes. They could potentially release him this weekend, though he isn't in a rush!

Through it all he has never lost his sense of humor! And yes has been working to recruit the OHSU staff for Rotary!"

## ANNOUNCING ROTARY FRIENDSHIP EXCHANGES FOR 2019-2020

By Camille Joyce Ronzio

It is with great enthusiasm that Ted Stevens, co-chair and I announce the upcoming exchange schedule for 2019 and 2020. It will be an exciting year of opportunities and so fits our incoming RI President's theme: Rotary Connects the World!

We will host 3 incoming teams from District 7820 Nova Scotia / Newfoundland, from District 7450 from Pennsylvania Greater Philadelphia, and from District 3850 the Philippines. We have active Rotary Friendship Exchange Committees in many areas of our district and are always looking for more. Each of these teams will visit 3 areas in District 5110. Let us know if your area or club would like to host a team for 3-

4 days during their time here. It is an excellent way to engage in service together, to experience culture and to see how we instantly connect with Rotarians from these areas. An average team will be 10-12 people. If you would like to be a part of an outgoing team or learn more about Rotary Friendship exchange go to the District Website under programs or DACdb under files and find out. We will do as District Governor Bill suggests ♦ Have Fun and Get the Job Done! Questions? Contact: Rotary Friendship Exchange Chairs: Camille Ronzio and Ted Stevens

## **ASHLAND ROTARIAN'S INSPIRING VIDEO**

By Renee Alice Riley-Adams

When I started my business, Balanced Life Coaching, in 2013, I also joined Rotary. I wanted to know other business professionals who contribute to their community. I knew a member of the Ashland Rotary

Club who I used to row with, Sandy Friend, and I told her I was interested. She invited me to a meeting and I was hooked! From the moment I stepped foot through the door, Rotary felt like HOME. The idea of a group of people whose mission it is to do Good in the world . . . what's not to like?
