DECEMBER: YOUR YEAR END DONATION SAVES LIVES

Donate

Donating to Rotary means clean water and sanitation. Health and hope in areas that were once ravaged by diseases like polio. Economic development and new opportunities. Your financial help makes all this happen, and more.

Give where the need is greatest

When you give to The Rotary Foundation, you fuel our service projects - projects that eradicate polio, promote peace, and improve developing communities.

HUGE INTEREST IN ROTARY YOUTH EXCHANGE

By Knut Torvik

District 5110 Youth Exchange Committee interviewed almost 40 potential outbounds and their parents and the inbounds held a World's Fair. What an inspirational group of young leaders! A special thanks to our host clubs in Grants Pass for a wonderful weekend and to our volunteers for all of your hard work! There were more qualified applicants in several years and it is good to see the huge interest for an international experience among Oregon high school students. Including Rotary volunteers, parents, inbound students and outbound applicants we had nearly 160 people present. Later on the Inbound exchange students had their annual Christmas party at the Boys and Girls Club of Rogue Valley. The students had fun with a white elephant gift exchange
