Passing of the Rose

July 7, 2016

On Monday, June 27th District 5110 Governor John officially "passed the rose" to District Governor-elect Dave Reece and reflected on a successful year of growth and service in our district. Dave and Nancy welcomed them to their home in North Albany for an evening of celebration and recognition.

Rotary Club of Bend 2015-16 President Leslie Weaver presented the District Governor Club banner to Rotary Club of Greater Albany President-elect Kevin Manske and words of gratitude were exchanged. District Governor Dave presented Past District Governor John with a service plaque recognizing his extraordinary leadership this past year. Dave also presented PDG John with the coveted PDG pin and thanked him for his service to our clubs and the district.

Past District Governors and Rotary members from all over the state in attendance to hear DG Dave share his 5110 District Conference 2016 theme "Come Together, Right Now, Rotary!" and his vision for the upcoming year as we celebrate the centennial of The Rotary Foundation.

Peruvian Project

July 1, 2016

While visiting Peru on a Friendship Exchange in May 2016 the group visited several projects in the Lima. One project really hit us hard, H de Los Bienaventuranzas.

Father Omar Sanchez is a Catholic priest who has devoted his life into helping these unfortunate children. He maintains two homes in the Salvadore area of Lima, Peru. One for young children, boys and girls and the other in a recently donated private school which is used for orphans. They are serving over one hundred and twenty children in the Salvadore homes. His group has also opened a home in Cusco, Peru, gateway city to Macchu Pichu. Twenty-five children currently live there.

These children have been either abandoned by their families or the families just cannot afford the care that these kids need. There are no social services in Peru to help out.

This home needs an industrial size washing machine to keep up with laundry, clothes and bed linen. They currently use two household machines that are on their last legs.

We are asking any clubs or club members to help us raise \$12,000 dollars to either buy one large industrial sized washer or two smaller units at \$6,000 apiece. Any amount would be welcome.

DG Dave Seeks Proposals for DisCon 2019

July 1, 2016

If your Club is interested in hosting DisCon 2019, please have your Club President submit a written proposal by email to District Governor Nominee Bill Grille (dgbill1819@gmail.com) not later than August 5,

One of a DGN's most important early responsibilities is to identify a location venue and date for the annual district conference to be held during the year that Governor Nominee will serve as District Governor. The earlier a conference location and date can be selected, the easier becomes to plan an outstanding event, secure outstanding program speakers and budget affordable and attractive conference options for attendees.

To this end, DGN Bill has received a proposal from the Coos Bay – North Bend Rotary Club asking that it be selected as the Host Club for DisCon 2019 for an event to be held at The Mill Casino in Coos Bay on May 3-5, 2019 ... the weekend before Mother's Day that year.

Those who attended DisCon 2011 at The Mill in Coos Bay will remember the venue for its many attributes, including the affordable waterfront hotel, spacious meeting rooms, onsite gaming entertainment and the many coastal attributes of Oregon's Bay Area. The Mill's conveniently adjacent waterfront RV Park makes conference attendance even more affordable for those choosing to bring their RV. A letter of intent from The Mill is holding the May 3-5, 2019 date for the CB-NB Rotary Club, but is limited if DisCon 2019 is to avoid Mother's Day, which has been a scheduling conflict for our two most recent conferences.

DGN Bill favors holding DisCon 2019 on May 3-5 in Coos Bay at The Mill and is hopeful a pair of tall sailing ships can be arranged to visit Coos Bay during the conference. Supplementing this wonderful family experience, the Coquille Indian Tribe is proposing a traditional salmon bake and cultural demonstration at The Mill's outdoor salmon pit.

Again, if your Club is interested in hosting DisCon 2019, please have your Club President submit a written proposal to DGN Bill by email (dgbill1819@gmail.com) not later than August 5, 2016.

It is time to register for the Rotary Leadership Institute this fall. Courses will be offered in Bend, Eugene, and Medford. There is a minimum of 10 people required to hold classes. Who should sign up? Any interested Rotarian doesn't matter how long you have been in Rotary. Our classes last year had new and seasoned Rotarians and everyone enjoyed it.

The cost is \$130 and covers materials, lunch, and meeting costs. Generally, clubs have been willing to pay for up to two people to attend. This year all three sections will finish prior to the first of the year so you will not interfere with and will be completed by the PETS weekend in February.

For those who started last year and did not complete due to scheduling conflicts: if you've already paid, please register for this year and you won't be charged.

Dates are:

Bend and Eugene: September 17th, October 22nd, and November 5th. The Eugene group will meet again at the Slocum Center. We will find a location in Bend once we see if we have enough folks registered.

Medford: October 15th, November 19th, and December 17th. Location to be determined.

Times: Sessions start at 9:00am and finish by 3:00pm each day. Coffee and a morning snack will be available at 8:30am.

Membership Matters

July 1, 2016

**Most club leaders know only too well how crucial engaged Rotarians are to
a club's success: actively involved members accomplish meaningful projects
projects with real impact on local and international communities! District
5110 clubs have just completed another successful year with modest, but
steady growth, finishing the year with 21 net members. This positive
will undoubtedly continue with fresh and new approaches to membership
support from our incoming membership coordinators [Beth Sheehar](#) and
[Michele Kellison](#). This dynamic duo will make themselves and their
team available to assist clubs with their membership challenges this year
and beyond. Welcome and "use" this critical district support resource
available to you! --submitted by [Emily Francona](#), outgoing membership
