 **MARK YOUR CALENDARS!**

District Grants Meeting
Phoenix School
3131 NE Diamond Lake Blvd
Roseburg, OR 97470

The meeting will start at 9:00 a.m. with lunch at noon. The final Grant Management Seminar will begin following lunch. This is a great opportunity to learn more about The Rotary Foundation, Grant Management and Global Grants. Even if your club does not have an International project this year, this is a great opportunity to learn about what other clubs are working on and collaborate for future projects.

The Rotary Foundation 1917-2017

Rotary

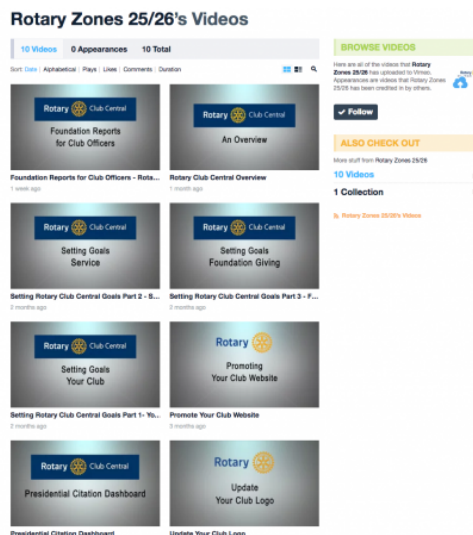

To mark the Rotary Foundation centennial, we're encouraging members everywhere to do 100 acts of good throughout the year. Let others know by posting photos of yourself on social media, along with a brief description of the act, using [#100actsofgood](#)

Arch Klumph's idea for an endowment fund dedicated to "doing good in the world" planted the seed for The Rotary Foundation in 1917 with an initial \$26.50. Today, that would be valued at approximately \$495.35. Not a bad start! The Rotary Foundation is turning 100, and that's definitely something worth celebrating. Visit our Centennial website to see what's being planned, pick up ideas for your own celebration, and brush up on your Foundation history in our interactive timeline. Happy Rotary New Year !! Check Out These Videos for Club Leaders!

Just in from PDG Tim Bewley who is also Rotary Public Image Coordinator for Zone 25/26: A set of excellent training videos on the 2nd VIMEO Channel. [Visit HERE](#). These videos are a great resource for learning to "drive through Rotary Club Central" on the Rotary International website. These are especially relevant to your club's social media / bulletin / communications folks as well as

Rotary Foundation chair and
committee and your President Elect and President Nominee. FYI!

Peruvian Project

July 1, 2016

While visiting Peru on a Friendship Exchange in May 2016 the group visited several projects in the Lima. One project really hit us hard, H de Los Bienaventuranzas.

Father Omar Sanchez is a Catholic priest who has devoted his life into helping these unfortunate children. He maintains two homes in the Salvadore area of Lima, Peru. One for young children, boys and girls and the other in a recently donated private school which is used for older boys. They are serving over one hundred and twenty children in the Salvadore homes. His group has also opened a home in Cusco, Peru, gateway city to Macchu Pichu. Twenty-five children currently live there.

These children have been either abandoned by their families or the family just cannot afford the care that these kids need. There are no social services in Peru to help out.

This home needs an industrial size washing machine to keep up with laundry, clothes and bed linen. They currently use two household machines that are on their last legs.

We are asking any clubs or club members to help us raise \$12,000 dollars to either buy one large industrial sized washer or two smaller units at \$6,000 apiece. Any amount would be welcome.

DG Dave Seeks Proposals for DisCon 2016

July 1, 2016

If your Club is interested in hosting DisCon 2019, please have your Club President submit a written proposal by email to District Governor Nominee Bill Grille (dgbill1819@gmail.com) not later than August 5, 2016.

One of a DGN's most important early responsibilities is to identify a location venue and date for the annual district conference to be held during the year that Governor Nominee will serve as District Governor. The earlier a conference location and date can be selected, the easier it becomes to plan an outstanding event, secure outstanding program speakers and budget affordable and attractive conference options for attendees.

To this end, DGN Bill has received a proposal from the Coos Bay – North Bend Rotary Club asking that it be selected as the Host Club for DisCon 2019 for an event to be held at The Mill Casino in Coos Bay on May 3-5, 2019 ... the weekend before Mother's Day that year.

Those who attended DisCon 2011 at The Mill in Coos Bay will remember the venue for its many attributes, including the affordable waterfront hotel, spacious meeting rooms, onsite gaming entertainment and the many coastal attributes of Oregon's Bay Area. The Mill's conveniently adjacent waterfront RV Park makes conference attendance even more affordable for those choosing to bring their RV. A letter of intent from The Mill is holding the May 3-5, 2019 date for the CB-NB Rotary Club time is limited if DisCon 2019 is to avoid Mother's Day, which has been a scheduling conflict for our two most recent conferences.

DGN Bill favors holding DisCon 2019 on May 3-5 in Coos Bay at The Mill and is hopeful a pair of tall sailing ships can be arranged to visit Coos Bay during the conference. Supplementing this wonderful family experience, the Coquille Indian Tribe is proposing a traditional salm bake and cultural demonstration at The Mill's outdoor salmon pit.

Again, if your Club is interested in hosting DisCon 2019, please have your Club President submit a written proposal to DGN Bill by email (dgbill1819@gmail.com) not later than August 5, 2016.

2. Want you to know that Alexandru Iote's global grant was approved. Alexandru is the district RFE chair for Romania Moldova district 222. Two clubs from our area sent money toward his grant for hospital equipment maternity wing of an emergency hospital in Alexandria. We will send a team back there in 2017.

3. I have preliminary contacts for 2018 from Chile, Perth Australia, Philippines, Brazil - Espirito Santos, Milan Italy. Can you let me know your opinions about preferences for your area? Where should we go? Some would obviously go to 2019 if all are solid.

4. We usually have an end of summer meeting to evaluate and plan. I would like to get a date for this in late August or early September. Let me know your availability and preferences. Also let me know if you want to continue on this committee for the next Rotary year (or who your representative will be).

Membership Matters

July 1, 2016

Most club leaders know only too well how crucial engaged Rotarians are to a club's success: actively involved members accomplish meaningful service projects with real impact on local and international communities! District 5110 clubs have just completed another successful year with modest, but steady growth, finishing the year with 21 net new members. This positive trend will undoubtedly continue with fresh and new approaches to membership support from our incoming membership coordinators [Beth Sheehan](#) and [Michele Kellison](#). This dynamic duo make themselves and their entire team available to assist clubs with their membership challenges this year and beyond. Welcome and thank you for this critical district support resource available to you! --submitted by [Emily Francona](#), outgoing membership support coordinator
