“Each One, Reach One!” the students chanted as they stood after a rousing presentation given on Trust and Respect by Brad Lund, lead facilitator at this year’s Camp RYLA. ## Congratulations Sustainable Club Participants

By Michele Kellison

2018-07-07

A year ago eight District 5110 clubs committed to the Rotary Zone 25/26 project to help clubs focus on membership by embarking on a three year commitment to grow their club by one member per year. A common question we heard was, "Why do we need to grow?" The answer is simple: the more Rotarians we have, the more good we can do for our communities and the world. The reality is Rotary membership, like with all service organizations, is struggling

to maintain its status quo. If we don't focus on keeping our current members engaged and being attractive to new members, we may cease to exist. The world would definitely

miss Rotary!
