**JOIN THE 20<sup>TH</sup> CLASS OF THE DISTRICT 5110 LEADERSHIP ACADEMY – BECOME THE BEST ROTARY LEADER YOU CAN BE!**

Preparing Rotary Club and District Leaders of Tomorrow. Enroll today to become a more effective Leader and be prepared to be an active part of Rotary’s future. The Academy is open to all Club Past President’s, Presidents Elect & Nominee, Club Officers and Directors as well as interested Rotarians who aspire to serve as leaders at the Club or District Level. There is no charge to Rotarians participating in the District Leadership Academy – all we ask is your time and commitment to becoming a better Rotary leader.

Since 1999 the District 5110 Leadership

has served over 200 students and since 2002 all District 5110 Governors have been members of the Academy. The six Academy courses of Communication, Membership, Public Image, Fundraising, Leadership and The Rotary Foundation are all taught online using the Canvas Learning Management System (the same platform used by colleges and universities to present their

## Brookings Water Safety – A Fun Thing For All!

2017-06-17

Brookings, OR – “It is amazing to see how the kids progress from clinging to the pool wall Monday morning to being comfortable in the water during the Friday play day,” stated Judy May-Lopez, President of the Rotary Club of Brookings-Harbor.

The Rotary Club looks forward each year to providing free water safety lessons to third grade classes at Kalmiopsis Elementary School at the City of Brookings municipal pool.

third day of classes, vol

The Rotary Club of Bro

Rotarians and volunteers arrived 8:30 Monday morning to prepare for six classes, approximately 130 students, making sure the water was warm and everything was prepared and ready for the first class of students arriving at 8:45a.m.. The first class was eagerly greeted, and given an introduction to pool rules and water safety. Students were then tested and grouped by their ability level and water skills.

On their first day, many students were uncomfortable in the water, but by the end of the first half-hour session, a lot were blowing bubbles, bobbing and floating face-up in the water. During the second and

unteer instructors were again working with the students - getting them more in the water and increasing their water skills

own as Water Safety Day, and included everything from learning river and individual and group lifesaving techniques and life-jacket safety tips. By Friday, , students splashed and squealed in excitement as they bobbed their heads, and jumped from pool sides and diving board-with life jackets on and

are combined with classroom American Red Cross materials on water safety. the Rotary Club of Brookings-Harbor when the program was started nine sons learned in the water safety classes, students develop the necessary skills water activities.

ier felt this was a great start to the summer and the water season, and to Rotary and all volunteers involved in making this opportunity available to

and we are very thankful to Wild Rivers Community Foundation who is for a grant that will provide additional summer water safety lessons.”

## Steps Two!

2017-06-10

The Rotary Club of Ashland's second annual Ashland Reads for first graders held May 24 brought together almost 50 club members and over 80 others in a spirited celebration of literacy designed to encourage reading and let our kids know we care about their progress. A beautiful balloon arch and hot dogs provided by Ashland Fire and Police added to the fun.

(Video link):

grant and in collaboration with the Ashland School District, Friends of the Ashland Library, the Ashland Interact Club, the SOU Honors College, and the Rum Tum Tugger. It was intended to be a wonderful event for children and adults alike. New this year was the addition of books to second graders as well.
