## Your Rotary Foundation- 3 Opportunities

By Charles L. Root

2018-06-24

Each year our District Rotary Foundation subcommittees arrange several opportunities for ALL Rotarians to learn and join in on our activities:

**1. Saturday July 14th:** Our Grants Subcommittee holds quarterly meeting to discuss District/Club grants and Global Grants at Phoenix School in Roseburg. We start at 9 am and all present vote on the proposed projects. Several clubs include attendance at one of these

meetings as one of their required Blue Badge activities because of the amount of information exchanged. Everyone is welcome and there are usually several newbies in the group.

**2. Friday September 28th** In the fall we celebrate our successes and thank all involved at our Rendezvous dinner. This year it will be held on Friday evening September 28th in Springfield.

3. We also offer opportunities for training and information training. This year we are offering to bring the training to several different areas around the district in a brand new program we are calling TRF To You.

Everyone interested in TRF is encouraged to attend these events. For additional information please ask your Assistant Governor or Past District Governors Tim Mobley at [tkmobley1415@gmail.com](mailto:tkmobley1415@gmail.com) or Chuck Root at [chuckroot1112@gmail.com](mailto:chuckroot1112@gmail.com)

The picture is of a new Rotary member of the Elephant persuasion after being so motivated at our TRF meetings that he went right out to help a lion club and mother. (OK, maybe this doesn't meet the first of the 4way test. ~ Chuck)

## Global Grant Scholar Graduates OSU

By Charles L. Root

2018-06-24

I am very happy to report that our Global Grant Scholar has completed his master's degree in public health. Pax Matipwiri, a doctor from Southern Africa is now much better prepared to make a HUGE difference in thousands of lives in one of the 10 poorest countries in the world. But his education has not ended, OSU has accepted him into their PhD program in Public Health at no cost to Rotary or to Pax.

A big thank you to all the clubs and individual Rotarians who have assisted him over the last two years especially the RCs of Ashland, Medford, Medford Rogue for financial support; the RCs of Corvallis, Greater Corvallis

 & our partnering club in Limbe Malawi, for ongoing support; Rotarians Jeanne Stallman, Lee Strandberg, Anissa Arthenayake, and many others.

Thanks to your TRF donations - we are making a difference.
