## Congratulations to the Rotary Club of Sisters

By Claudette Mirassou McWilliams

2017-05-12

You probably noticed that we had a full house at last month's District Training Assembly in Cottage Grove. Between registrations and last-minute appearances, we had at least 252 Rotarians and guests in attendance!

Please join me in thanking the Presidents-Elect and their Assistant Governors, who worked so diligently under the guidance of **District Governor Designate Rick Olson** and future Executive Assistant Governor, **David Figurate**, to promote

attendance and procure the lovely gift baskets which were awarded at the end of the day along with a Paul Harris Fellow. My thanks as well to all the presenters, contributors, and volunteers who helped make the day a success.

The Presidents-Elect turned out in what I believe are record numbers. We had 50 in attendance, including many who arrived after overcoming significant challenges and obstacles. Thanks to their diligence and dedication, 59 of our 68 clubs were represented at the District Training Assembly for an impressive 87%.

In the weeks leading up to the District Training Assembly, the Presidents-Elect were given a challenge that would reward the club with the highest percentage of members in attendance, (with a minimum of three members appearing) with a \$100 amazon gift card. Congratulations to **Hal Reitmeier**, President-Elect of the Rotary Club of Sisters for having recruited a total of ten club members to the event. In close pursuit were the Rotary Clubs of Corvallis Morning and Bend High Dessert. Each of them will receive a \$25 gift certificate for having earned an Honorable Mention.

## DisCon 2017 Invitation

By David J. Reece

2017-05-06

Consider this your invitation to come together as a Rotary District in May of 2017! Your District Governor, Dave Reece, will play host to you at a superb destination for a special assembly of Rotarians, world-class speakers, businesses, youth and families. All networking, sharing stories and concepts for making a World of Difference.

Held at Linn County Fair Expo, the District Conference 5110 starts on May 18<sup>th</sup> with several activities held around Linn County. At noon there is a golf tournament at Mallard Creek in Lebanon Oregon.

Starting at 1 in the afternoon, Bob Esterling will be your host for a winery tour of three area wineries: Springhill Cellars, Emerson Vineyards and Airlie Vineyards. The Wine Bus will pick up you up from the Fair Expo, and have you back to the Expo Center by 5pm.

Also on Thursday, starting at 2pm there will be a FREE one-hour walking tour of Oregon State University. Meet up with your friendly guide, Liz Wells, at the Reser Parking Garage at the corner of 26<sup>th</sup> and Washington near Reser Stadium in Corvallis where Liz will provide you with a free parking pass. For further information, please contact Liz at 503.341.1434.

There will also be self-guided tours including a “pub, cider house and distillery crawl” of Albany, Corvallis and Lebanon; a walking tour of downtown Albany including the Regional Museum and antique shops and then Talking Water Gardens which was co-created by the City of Albany and ATI to build wetland cells that mimic the cleansing and cooling processes that occur in nature, returning treated water safely back to the Willamette River.

Friday morning will be a historic home tour starting at 9am at the Monteith House, the oldest existing home in Albany. At 10:30, the Literacy Service Project starts with Rotarians reading to elementary school children in Hall B of the Fair Expo. Both the tour and Service Project will be completed in time for you to join the official kick-off of the Conference at lunch starting at 11:30.

You can sign-up for one of more of these events, including the service project, when you register for the Conference!

So join District Governor Dave Reece and the rest of your fellow Rotarians at this year’s District Conference held at the Linn County Fair Expo from Thursday May 18<sup>th</sup> – Sunday May 21<sup>st</sup>.

## District Grants

By Julianne Di Chiro

2017-05-05

Greetings! I hope that all of you are doing well, and have been planning for submitting your great projects for proposed District Grants for 2017-18. I wanted to review some of the changes that have been proposed for next year's process in the hopes of making it work better and more fairly for all of our participating clubs. I will also include the timelines for District Grants for next year. (Please note that proposed changes will not be official until they are approved at the District Conference on May 21.)

**1. All District Grant proposals are due to be completed in DACdb by June 1.** This is a hard deadline, and no proposals will be considered if they are not submitted by that date.

**2. Each club can submit up to two distinct grants proposals.** You must indicate the priority of each grant. Your first priority grant should be listed as "high priority" on the grant details page. Your second grant should be listed as "medium priority" on the details page. We will consider all high priority grants for funding first. It is anticipated that there will be sufficient District Designated Funds (DDF) to support all first priority grants. In the unlikely event that we run out of DDF for high priority grants, we will randomly select clubs until the necessary reduction has been made. Clubs that voluntarily pulled a grant or reduced requested DDF to help us meet the shortfall in DDF last year will be guaranteed funding for their high priority grants this year.

After all high priority grants have been funded, all medium priority grants will be prioritized by a random drawing. These grants will be funded in that order until the DDF is exhausted.

**3. Multiple club grants.** If your club is participating in a multiple club grant, all of the clubs must indicate the same priority for the project. For example, each club must agree that the multiple club grant is either their high priority grant or medium priority grant for that year. If clubs are submitting an additional grant that only involves their club, then its priority must agree with what was submitted on the multiple club grant. Each club can only have one high priority grant.

4. Please remember that the first step in a district grant is completing the proposal. Once that proposal is approved, it will be included in the District's spending plan, and submitted to TRF for approval in July. Once our spending plan is approved, you will be given the go ahead to complete the entire application. **A completed proposal is not a completed grant application.** It is simply this first step in the process.

My goal is to help you to complete your district grant applications successfully! Please let me know if you need any assistance or if you have any questions.

This year club TRF chairs are being encouraged to inspire club members to give a gift to the Rotary Foundation Annual Fund in honor of their Moms on Mother's Day. In a new District wide initiative called HONOR THY MOTHER I have created five fillable eCARDS that can be emailed to members' Mothers on the day before her special day. This maybe be especially inspiring for younger members and others who may not have already given to TRF.

I have never told my Mother directly that she has inspired me to give back to the world, so now is my chance. Even during the presentation of her Honorary Paul Harris I do not think the message really got through in the way we all want to portray our gratitude to our parents. Perhaps you feel the same way. And Father's Day cards are also available: HONOR THY FATHER is the same format but different eCARDS.

Residents pour water from a new Rotary funded well in the village of Tonosuano, Ghana in 2014.

## HAPPY MOTHER'S DAY

Dear \_\_\_\_\_, your son \_\_\_\_\_ has donated

\$ \_\_\_\_\_

to The Rotary Foundation in honor of you on Mother's Day.

As a member of Rotary, and as your son, he wants you to know how much you have inspired him to give back to the world.

The Rotary Foundation works around the world and in our local communities to assist those most in need in the areas of maternal and child health, disease prevention, clean water and sanitation, education and literacy, economic and community development, and world peace.

Be sure to ask your club TRF chair about these cards.
