

Week of November 5, 2018

The Rotary Foundation transforms your gifts into service projects that change lives both close to home and around the world.

During the past 100 years, the Foundation has spent \$3 billion on life-changing, sustainable projects.

A dark blue section containing the Charity Navigator logo (a green star) and the text "CHARITY NAVIGATOR". To the right, a large number "4" is followed by four yellow stars and the text "star charity - Charity Navigator's highest level". Further right, a teal donut chart shows 91% of funds spent directly on programs, with the text "91% of funds are spent directly on programs".

NOVEMBER IS ROTARY FOUNDATION MONTH

November is Foundation Month. Bill Grile's Governor Classmate Jayne of District 5150 makes a special trip to Rotary International Headquarters and tours Evanston! See her [short video](#) and learn more about major giving opportunities such as the Arch Klumph Society and meet some of its most recent inductees.

INTERACT DISTRICT TRAINING ASSEMBLY OCT 27

By Mary Hoskins

On October 27th, over 70 Interactors and Rotarian advisers gathered at Grove Camp in Dorena (RYLA site) for the annual Interact District Training Assembly. Student leaders Emma Cushing, from West Albany High, and Ian Kerr, Springfield High, joined Rotarians and Rotaract facilitators Colbey Carpenter, Skyla Patton, and Carol Crum, for learning, networking, and inspiration. Youth Safety Officer Dan Converse led a session on safety and risk management for adults working with youth.

ROTARY CLUB OF SHASTA VALLEY SCHOOL PROJECT

By Sherry Humphries

As outgoing President of the Rotary Club of Shasta Valley for 2017-2018, I was able to do something I felt very good about in “making a difference” in Shasta Valley, for young children and for their school, Little Shasta Elementary School. Little Shasta Elementary is one of the “oldest continuously work schools in California”, established in 1858. As my President’s Project, our mighty little Club was able to make two generous donations – one donation for improving an important ‘pride and spirit’ part of the infrastructure and a second for nine (9) “instructional robots” for teaching robotics and computer programming in the classroom.
