REACHING BEYOND OURSELVES TO SERVE OTHERS

By Cindi O'Neil

This Ethiopian woman is hauling an eight-foot wide bundle of eucalyptus wood to town to sell for charcoal production. She walks up Mount Entoto, 704 feet, multiple times a day to earn a living. Rotarians from our District traveled there last year on a Rotary-funded Global Grant focusing on a Maternal and Child Health project. Please give generously to the Annual Fund of The Rotary Foundation. The need is great.

If you pledge \$200 per year to the Annual Fund of The Rotary Foundation you enable both our local club, our District, and the Global Fund to grow and provide sustaining funds to leverage this important work. Service work in our local schools for Literacy, service work overseas like our disease prevention work in Ethiopia, are all leveraged two to four times over because of your gift. This month, won't you pledge \$17 per month, or \$50 a quarter to The Rotary Foundation Annual Fund?

to a huge BMY military truck loaded with a 1970 armored infantry tank. The Interact Club of Etna marched with the Grand Marshal Banner and with the help of Rotarian Past Presidents Diane Pomeroy and Liz Orme served chili to the veterans. With the cooperation of the US Forest Service “Smokey” was present, the Lions Club had a full trailer of Veterans, Past President Rotarian
