CALL TO ACTION FOR ALL ROTARIANS

By Bill Grile

Please join Linda and me by making a contribution today.

Rotarians are People of Action ... and its once again time for us to act! As with other disasters, Rotary typically helps most when Rotarians provide financial support for organizations that provide direct victim relief. To this end, I've been in touch with District Governor

classmates in California to seek their counsel about how D5110 Clubs and Rotarians can be most helpful. These Governors have made an urgent plea that we make contributions to the following:

Northern California Fire Relief:

... District 5160 Governor Jon Dwyer recommends donations to:

The Paradise Rotary Club Foundation
c/o care of Scheer Memorial Chapel
2410 Foothill Blvd.

Oroville, CA 95966

For online donations: www.ParadiseStrong.org... District 5180 Governor Jack Arney recommends donations to:

Rotary District 5180 Foundation
4917 Olympia Court
Carmichael, CA 95608
[Note that donation is for fire victim relief.]

GLOBAL GRANTS CAN NOW HELP WITH HOUSING

By Charles Root

We have good news: Rotary has a new partnership with [Habitat for Humanity International](#) that will enhance club and district service activities by providing access to Habitat's resources and programming. Clubs can work with Habitat affiliates and local communities to design and provide long-term, affordable housing to families in need of shelter. And now they can use global

grants to fund the types of low-cost shelters that Rotarians and Rotaractors have been building with Habitat for Humanity for years.

If your district or clubs are interested in using global grant funding to construct low-cost shelters with Habitat for Humanity, see the [guidelines and application](#).
