District 5110 Conference Program Taking Shape--Save April 28-30!

By Mike Corwin

The District 5110 Conference program in late April is taking real shape and is still very much in the works for an in-person setting in Corvallis!

Golf and a street party could be your start to a great weekend with fellow Rotarians and the Saturday speaker lineup is not one to miss. Local, regional and national expertise on the following topics are in the final plans:

- "Rotarians Taking Climate Action"
- "Translating our stories into growing your mission"
- "Gender and Leadership"
- "Courageous Conversations about Diversity, Equity and Inclusion"
- "Influencing through social media and a cup of coffee"
- "What's going on with our Economy today, here and elsewhere"
- "Creating Drug Courts in Vietnam, Exporting the Successes of Benton County"
- "Cutting Edge Breakthroughs in Human Machine Learning"
- "Housing and making room for Oregonians"
- "What Star Trek can teach us about peace"

Save the dates for now and registration for the weekend of April 28-30 is pending. Look forward to seeing everyone!

Heart of America...and Mexico...the topic for Eugene Metro Zoom tonight

By Heather Edwards

Friends and neighbors, let's go to Tennessee, Indiana and then - all over central Mexico. **Tonight, January 25th at 6 pm Pacific** will fill your heart with neighborly inspiration.

How can we help firefighters, schools, hospitals, and environmental projects? IPDG Ron Appuhn will tell us all about [Heart 2 Heart](#) and the Mexico 100 in 100 Program. From the "heart of America" to the "heart of Mexico", the depth and variety of these projects is exactly what makes us Rotarians.

Contact Heather Edwards (heather.m.edwards@gmail.com) for the Zoom link to hear and watch this interesting Eugene Metro Club (they meet at The Davis downtown) meeting!

Participate in Rotary Days of Service

By DG Gerry Kosanovic

As part of his [2021-22 initiatives](#), Rotary International President Shekhar Mehta is encouraging clubs to plan and host a practical and action-oriented Rotary Day of Service. The event should address a challenge facing your community that fits in one or more of Rotary's areas of focus and brings together volunteers from within and outside of Rotary. [Click here for the entire story on the D5110 website.](#)

We're halfway through the Rotary year, and many clubs, both in District 5110 and around the world have already risen to the challenge.

Assorted Levity for Your Rotary Week/Life

By Mike Corwin

Amusing quotes philosophizing on parenting:

◆ Adults are always asking children what they want to be when they grow up because they're looking for ideas. ◆ *Paula Poundstone*

◆ A perfect parent is a person with excellent child-rearing theories and no actual children. ◆ *Dave Barry*

◆ Just be good and kind to your children. Not only are they the future of the world, they're the ones who can sign you into a home. ◆ *Dennis Miller*

◆ When I was a kid my parents moved a lot, but I always found them. ◆ *Rodney Dangerfield*
