Almeda Fire: Rising From The Ashes Podcasts Episode 3

By Dan Smith

We are embarking on episode three of the Almeda Fire Rising From the Ashes. In the previous two episodes, you heard and experienced what different Rotarian's here in our Valley and also residents experienced on that horrific day of September 8 2020.

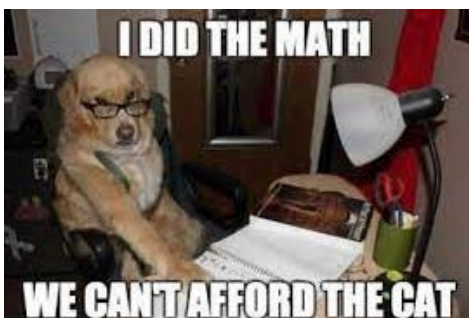

The end of episode two. We heard probably the most emotional and moving interview that we did, from Catalina Gamez, and her son Adriel, who lost everything. And it was just as emotional, hearing their thoughts and observations on trying to come back and see if they had a home, or any possessions the next morning.
