For information and inspiration, go the website: [leadernu.com/ryla-info/d5110/](http://leadernu.com/ryla-info/d5110/)

We're bringing this interactive and field-tested event to area sophomores and juniors from April 28 - May 2, 2021. The itinerary will work with high school schedules, with evening hours on Wednesday, Thursday and Friday, continuing to Saturday and Sunday.

As always, Rotary clubs will make the selections of the students they want to sponsor. Clubs can choose to reach out to specific candidates and/or interview potential participants via Zoom before referring them to the above website for an online application. Or - all interested students can apply, with the clubs making their selections from completed applications. Deadline for student applications is March 15 - clubs must make their final sponsorship decisions by March 24.

## Express Grant Assists Klamath Basin Club in Serving Local Mission

By Jack Baumann

The Klamath Basin Sunrise Rotary Club raised \$1,500 to purchase new bunk beds for the Klamath Falls Gospel Mission. The Mission supplies housing and recovery services for Christian focus. Sunrise Rotary raised funds from its members, and paired those funds with a \$500 new-member participation grant from Rotary District 5110. The effort drew coverage of the Klamath Falls Herald and News.

Legacy Furniture of Klamath Falls sold the high-quality bunk beds and also donated bedding materials such as mattresses, linens and pillows. Mark Willret of the Klamath Basin Rotary is pictured at the right with Gospel Mission Executive Director Ammond Crawford, who is also in the Rotary club, and Aaron Glass of Legacy Furniture as they show off an example of the great work. ## Feb. 16 District Membership Forum Tackles Virtual Recruiting

By Christine Waugh

The next District Membership Forum is about Virtual Recruiting and will be held Tuesday, February 16th at 10am. The topic has become critical during this COVID era. However, the skills we will cover for recruiting virtually will benefit our clubs long past COVID. This is an opportunity for us to learn some new concepts, and share our challenges, and solutions.

This month we have two facilitators ♦ **Steve Lingenbrink and Julie Aubry**. Lingenbrink is currently the Zone 27 Rotary Coordinator. He served as District 5030 Governor in 2012-13, and President of the Bellevue Breakfast Club 2005. More recently Steve served as Assistant Rotary Coordinator 2013-15, Zone 25/26 Membership Chair 2015-17, and Council on Legislation Representative 2014-2022. On the education side, Steve has served on the faculty of

GNATS/GETS, all Big West PETS, and Training Leader at International Assembly 2017-18.

Julie Aubry is the Regional Membership Officer (RMO) at Rotary International World Headquarters working with western United States and the south west part of Canada (Zones 26 & 27). She works with club, district, and zone level volunteers to support membership growth and engagement through strategic planning; vibrant membership initiatives; new club development; and promoting membership resources, tools and data.

The District Membership Forum is held every third Tuesday at 10am, and focuses on a topic chosen by the participants. Registration is not necessary, and is open to any club member with an interest in membership. Here's the link for the Forum every month:

## Rotary Now! / Leading Change Features Power of Podcasting Feb. 25

By Bill Grile

Join us for a relaxing night of exploration into the Power of "Podcasting" featuring experts Dr. Siobhan McHugh and Matt Livadary as the Thursday, February 25 Rotary Now! / Leading Change program. The 90-minute presentation will start at 7 p.m.

We have all been trapped inside for way too long. Let's take a journey of the imagination. With our experienced guides we will visit some extraordinary places. Feel the emotions of your fellow Rotarians as they serve and what that means to them. We will stop over in Africa, maybe visit a crime scene and experience things you probably only dream about. Along the way you will learn how to listen and how to tell your own Rotary story.

Registration is required for this event at no cost and soon after your registration, you will receive the Zoom details for the event. [Click here to register.](#)

## Twain-isms, the Sequel, for your Rotary week/life

By Mike Corwin

***Still more quotes from Mark Twain to take into your 2021 days AND a photo posted by a past 5110 DG showing the extra mile some go to mask up (guess who???)---SMILE!***

◆Don't go around saying the world owes you a living. The world owes you nothing. It was here first.◆

◆Wrinkles should merely indicate where the smiles have been.◆

◆What would men be without women? Scarce, sir...mighty scarce.◆

◆Substitute 'damn' every time you're inclined to write 'very;' your editor will delete it and the writing will be just as it should be.◆

◆Keep away from people who try to belittle your ambitions. Small people always do that, but the really great make you feel that you, too, can become great.◆
