By DG Cindi O'Neil

It is happening all across our District in Oregon: Rotarians are stepping forward to volunteer at the COVID vaccine clinics in their communities. This act of service saves lives. You are offering a gift to your communities that says, ♦We are Rotary, We are People of Action, and We Care. ♦ Thank you, all of you, for your service and dedication during this worldwide effort to rid humanity of this surging pandemic.

A big shout out to the Rotary Club of Eugene for organizing the Eugene volunteer effort and producing this incredible recording of these historic times. Please share this video this week or next at your Club meetings. Be inspired! [Click here for the story and video link](#) or go straight to the production here: <https://vimeo.com/536198889>

Sustainability Featured in Thursday's ROTARY NOW!/Leading Change

By DG Cindi O'Neil

**ROTARY NOW!
Leading Change**

This Thursday Evening at 7 p.m.

[Register NOW](#) for Rotary Now! / Leading Change

Rotary undertakes a huge variety of projects, and in all of them, a key focus is sustainability. We want the community in which the

project is undertaken to be able to continue to receive the benefit of our work for the foreseeable future. In almost all of our projects, we take something into the community, whether it be a new well, a renovated school, vaccinations, microloans, electric ambulances, medical supplies....but in a handful of projects, we help to train people to take knowledge and skills back into their communities.

Some of that training comes about because we take experts to the communities, and train on site. This ♦train the trainers♦ concept is the way Rotary can exponentially increase our impact.

Want to know more? Join us for a lively exploration with leaders of two very different projects that provide highly desired training, both here and overseas: Past District Governor Chuck Root of RC Medford and Susan Sygall of RC Eugene. Understand how to imbed sustainability into your club♦s next project.

Rotary Business Network is pleased to Recognize Gary and Cottage Grove Sentinel as the D5110 Business of the Week.

In 1911, Paul Harris launched Rotary to leverage friendships and build ethical business relationships. He knew doing this would strengthen businesses as well as communities. Accordingly, every D5110 Rotarian with a business or profession is entitled to a listing in the Rotary Business Network directory.

Go to https://rotarybusinessnetwork.org/add-listing/?listing_type=gd_place if your business is not listed and add it! Visit the RBN Directory at <https://rotarybusinessnetwork.org/> or contact Rotarian Dan Smith (team@rotarybusinessnetwork.org) if you have questions.

The Rotary Club of Sutherlin Auction is well underway online, but there are still some hours left for 5110 Rotarians to find the auction item of their choosing!
