## Not Zooming for Meetings? E-Club is a Great Make-Good Answer

By Emily Francona on Wednesday, April 15, 2020

While the current national emergency caused by the CoVid19 pandemic requires physical distancing, Rotarians can still remain socially connected to other district Rotarians. The Rotary E-Club of the State of Jefferson invites all Rotarians to make up virtually: the club posts a complete meeting each Thursday and the club library contains hundreds of programs on a wide variety of informational and entertaining topics. Use the make-up form to inform your club secretaries of your attendance. Any Rotarian can register on the Club website to receive an email notification with a link to weekly meetings - without obligation. [Click here for a link to their website and e-meetings.](#)

## Could Your Stimulus Check Best Land With TRF?

By David J. Reece on Monday, April 20, 2020

Fellow Rotarians, since fewer people read newspapers, my guess is that not many saw Amy Dickinson's ASK AMY advice column the other day. A writer said "Right now, I don't need a stimulus check. Since I'll get one anyway, what can I do with it to help during this pandemic?"

Amy's response was to give to a worthy nonprofit, either locally or internationally. I say if you are luckily enough to not need the federal money, why not do both and donate some or all of this windfall to our favorite nonprofit, The Rotary Foundation. The Trustees have just given \$3 million to fight the coronavirus and will do the same with all donations to our Disaster relief fund, all of our polio resources are being used in the fight plus funds are being given to all districts so we can help in our own communities. Here's the website [www.rotary.org/en/donate](http://www.rotary.org/en/donate)

## Please continue to make comments on our website posts

## JACKSONVILLE-APPLGATE CLUB TACKLING MASK NEEDS

by Peggy Carlaw

Members and friends of the Jacksonville-Applegate Rotary Club are busy sewing over 100 masks for the residents of Pioneer Village, the retirement home in Jacksonville. The residents are maintaining social distance and are looking forward to being able to wear their masks when they're out and about around the facility or traveling to medical appointments.

This is a great service project. Those of us who sew and have health conditions that make us a higher risk can do these. I made one for myself out of an old tight-weave cotton shirt from Nordstrom and included the label across the bridge of the nose. It gets a laugh, releasing endorphins which boosts one's immune system. I'm aiming to crank out some more for distribution.

## Redmond Rotary Continues to Serve Its Community

By Marv Kaplan on Saturday, April 18, 2020

The Rotary Club of Redmond has been all about serving local first responders under Club President Marv Kaplan in recent weeks. They provided 120 meals to St. Charles Hospital and delivered 200 N95 masks to the Redmond Police Department and Redmond Fire and Rescue.

## Points and Pride for DGN Kosanovic

By Gerry Kosanovic on Tuesday, April 21, 2020

February 6, 2020, was a special moment when I witnessed my brother Joe's induction to the Rotary Club of Redmond. Speaking to the three inductees that day, Club President Marvin Kaplan referred with pride to the Paul Harris Fellow (PHF) banner which contained the names of recognized PHF club members. President Marvin suggested that obtaining a PHF should be an aspirational goal for every Rotarian. It was that moment that I knew that I would make my brother, Joe, a Paul Harris Fellow by transferring accumulated PHF points.

[Here's our story....by the way Joe and I represent two brothers of triplets in the Kosanovic family.](#)
