Doing Biz w/Rotarians: Saluting Paul Stewart & Sky Lakes Medical Center

By Bill Grile

In 1911, Paul Harris launched Rotary to leverage friendships and build ethical business relationships. He knew doing this would strengthen businesses as well as communities. The Rotary Business Network aims to do likewise.

This week we return to the Klamath Basin and salute Paul Stewart and Sky Lakes Medical Center. Paul has been a member of Klamath County Rotary Club since 1993 and currently serves as President and CEO of SLMC, a not-for-profit, community-owned, internationally accredited acute-care teaching hospital dedicated to serving more than 80,000 people in Klamath and Lake counties in south-central Oregon, and Modoc and Siskiyou counties in northern California. It is the only hospital in a 10,000-square-mile area.

Sky Lakes Medical Center is an important community asset that supports the region and Rotary. Learn more through the Rotary Business Network at Sky Lakes Medical Center ♦ Rotary Business Network. After all, wouldn♦t you rather do business with an organization that supports Rotary? And by the way, take a listen to Paul encouraging everyone to get vaccinated against COVID: Paul Stewart video message 4-22-21 | Sky Lakes Medical Center

Every D5110 Rotarian with a business or profession is entitled to a listing in the Rotary Business Network directory. If

your business is not listed, [click here to learn more](#). Visit the [Rotary Business Directory](#) or contact Rotarian Dan Smith if you have questions.

◆ The old man laughed loud and joyously, shook up the details of his anatomy from head to foot, and ended by saying that such a laugh was money in a man's pocket, because it cut down the doctor's bills like everything.◆◆ **Mark Twain**

◆ Always laugh when you can. It is cheap medicine.◆◆ **Lord Byron**

◆ It is bad to suppress laughter. It goes back down and spreads to your hips.◆◆ **Fred Allen**

◆ Your body cannot heal without play. Your mind cannot heal without laughter. Your soul cannot heal without joy.◆◆ **Catherine Rippenger Fenwick**

◆ Laughter is a form of internal jogging. It moves your internal organs around. It enhances respiration. It is an igniter of great expectations.◆◆ **Norman Cousins**
