Area #3: Gary Plano (Rotary Club of Ashland) representing Jackson and Siskiyou counties

Area #4: Dave Bassett (Rotary Club of Port Orford) representing Douglas, Coos, Curry, Josephine, Klamath, and Lake Counties

At the meeting, I will issue a call for additional candidates. If we hear none, I will certify the above-named individuals as members of the 2022-2023 District 5110 Nominating Committee.

Assorted Levity for Your Rotary Week/Life

By Mike Corwin

Amusing but authentic words to add to your vocabulary (or not):

Flibbertigibbet: A person who is silly and irresponsible can be referred to as this.

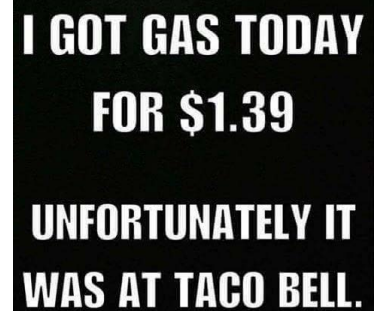

Hoecake: Believe it or not, this is the name of a southern-style cornbread.

Frippery: If you want to describe something that is snobby-elegant, use this.

Namby-pamby: One might say that calling a foul on a basketball player during a game when they flop is a pretty “namby-pamby” rule.

Gibbons: Instead of saying you have “rubbish” or “knickknacks” in your house, you can use this word to tell others you have small objects that have no real value.

Diphthong: This isn’t a piece of clothing. Believe it or not, it’s used to describe the sound of two vowels when they are joined together, like the sound of the “oy” in joy.
