## The June 24th District Governor Baton Pass

By DGE Gerry Kosanovic

The beginning of the 2021-22 Rotary year will soon be upon us. On July 1, clubs throughout the world will welcome a new Club President to guide members toward service success. Likewise, 535 Rotary districts will witness the leadership baton pass from the District Governor to the District Governor-Elect.

By tradition, the home club of the incoming District Governor will host a Governor Changeover event. In District 5110, for the first time, this event will be digital allowing attendance without travel. **Mark your calendars to join this Zoom experience on Thursday, June 24, 2021, at 5:00 p.m.** At that time, the Rotary Club of Greater Corvallis will present a snapshot of the club's activity as they introduce their home club member, District Governor-Elect Gerry Kosanovic.

A Zoom link will be sent to all Rotarians via email on Monday of that week (June 21). So, grab your favorite refreshment, sit back, and enjoy the leadership baton pass as we welcome the next District 5110 Governor and extend our gratitude and thanks to DG Cindi O'Neil on Thursday, June 24.

## June 19 Global Peace Conference: Weaving a Shared Future Together

By Carol Fellows

The Rotary Peace Fellowship Alumni Association (RPFAA) will hold their annual 24-hour Global Peace Conference on June 19. Like the inaugural year, the conference will cross all time zones in a continuous 24-hour program and is no typical academic conference or business networking opportunity.

Whatever your time zone or regional interest, there will be a full day of online programming that includes keynote speakers, peace and conflict resolution training and skill building, opportunities to connect with various communities of practice in the peace field, and knowledge sharing. Translation will be available wherever possible.

We are expected to have 1500 participants, 400 experts, 140 break out room facilitators, 50 panel sessions and workshops and 75 hours of content on issues.

Our speakers include Prof. Roger MacGinty who is known for his work on 'everyday peace'; Ambassador Walter Gyger, who is the Rotary International Representative to the UN; Rotary International leadership; survivors of the Nagasaki atomic bombing; and youth activists as young as 13-years of age. Skills-based workshops will also focus on indigenous peacebuilding strategies; discovering your peacebuilding skills; peacebuilding through food, arts, sports and drama; measuring peace; and having courageous conversations. Our value is dialogue, collaboration and action, so everyone - YOU included - has a part to play in influencing the positive results of our conference.

Share the news. Register today at our conference website. The conference registration is free but welcomes donations as you are able to pay. **Follow this and other events on Facebook and our site Rotary Peace Fellowship Alumni Association. ## Tips Toward Your Membership Done Right

By Christine Waugh

Mentorship Done Right will be the focus of the Tuesday, June 15 District Membership Forum at 10 a.m. on Zoom. Many clubs struggle with involving their new members ♦ which is so important for retention. Does your club have a mentor program? Does it work well? Come and share your secrets. Do you have other ways you involve new members? We want to hear about them. Are you struggling? Let us help!

This month our District 5110 Membership Chair, Christine Waugh, will facilitate your discussion on mentorship.

Prepare to think outside of the box and refine your approach to this Mentorship. Christine owns Leader Support Service and is a Business Consultant. She focuses on the people side of the organizations she serves, because people are your most expensive and valuable asset. If you have people problems, though, you have business problems (and the same goes for a Rotary club.) She helps her clients optimize that talent, creating higher productivity and loyalty.

The District Membership Forum is held every third Tuesday at 10am, and focuses on a topic chosen by the participants. Registration is not necessary, and is open to any club member with an interest in membership. Here's the link for the Forum every month: <https://us02web.zoom.us/j/82289120983> or dial in at 1 669 900 6833. For more information, contact Chris Waugh or click here.

## Youth Service Coordinator Leadership Change

By DGE Gerry Kosanovic

July 1 signals the beginning of the Rotary year, witnessing the annual changing of the one-year Club President and the District Governor positions. Other Rotary leadership roles, especially at the district level, often serve multiple years. Such is the case for Youth Service Coordinator, filled the past four years by **Mary Hoskins, a member of the Rotary Club of Bear Creek Valley.**

While Mary was slated to continue in her role for 2021-2022, she has decided to sell her home in Talent and move closer to family in the Portland area. This position will be filled beginning July 1 by **Past District Governor Dell Gray**, a member of the Rotary Club of Roseburg. PDG Dell is a highly respected Rotarian and we deeply appreciate him stepping up to the plate with short notice to serve the youth of the district. At the same time, we extend our profound thanks to Mary Hoskins for her remarkable volunteer service and tenure as Youth Services Coordinator.

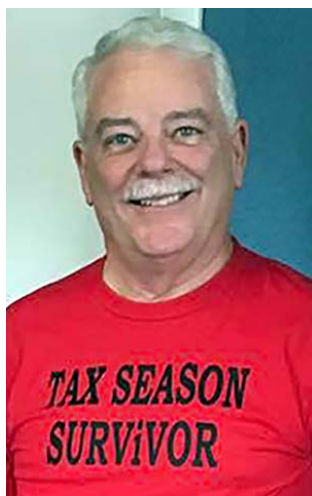

Mary will transfer her membership to the E-Club of the State of Jefferson, thus staying connected with District 5110 activities. She will continue to oversee and coordinate RYLA Camp for high school students, but she will step down as Youth Services coordinator. We also wish her the best of good luck in her move from Talent to the Portland area.

Scholarships! So many deserving students, determined to achieve a better life for themselves, their families, and their community through postsecondary education, need our support. Our club takes pride in its annual mission to help aspiring first-generation college-goers, and others facing financial hardship, realize their dreams. Recently, our satellite club at The Springs had a successful fundraising event, but still, as a result of the pandemic, our scholarship budget is seriously underfunded.

For this reason, planning is well underway to hold a fun, free, and fruitful event on July 11, from 4:00 ♦ 6:00 p.m., on the delightful grounds of Susie Andrist♦s home. The "fun" will be a chance to meet and greet in person, safely outdoors. The "free" is zero cost to attend this event with complimentary wine tasting and finger foods provided. The "fruit" will be in the form of a **silent auction and 50-50 raffle** that together have a goal of netting at least another \$7,500 and hopefully much more. Please see the "Save the Date" flyer.

One way you can help now is by contributing **silent auction items**, joining our board and scholarship committee members who have already done so. To make this auction a success, we♦re looking for appealing items that are valued at \$50 or \$150 or \$500 or even over \$1,000. These could be gift cards, vacation homes, theme baskets, wine, etc.

Of course, we hope to see many of you attend this refreshing social event on July 11. **If you plan to attend the event or if you have an item to contribute, we♦d appreciate your RSVP to scholarship committee member, Randy Bernstein. E-mail is [randysbernstein@gmail.com](mailto:randysbernstein@gmail.com) and cell phone is 541-514-1572.**
