Last call for member and club recognition

By Charles J. Polk on Thursday, June 11, 2020

District 5110 has a long history of outstanding leadership and volunteer commitment at the international, district, and club levels. Each year, we have an opportunity to recognize individuals and clubs that distinguish themselves through their exemplary acts of Service Above Self.

In order to ensure that every deserving Rotarian's contributions are considered, DG Rick would like your help in identifying potential nominees for several awards. **Nominations must be submitted to Awards Committee Co-Chairs PDG Claudette McWilliams or AG Jim Polk by June 30, 2020.** The nominations can be made by identifying the nominee with an accompanying explanation, with examples, of why the candidate is a worthy recipient of the award. No particular form is needed except for the DG Citation forms to be completed by club presidents. TRF Giving To Date In This Challenging Year

By Tim Mobley on Saturday, June 13, 2020

This Rotary year ends in just a few days, 17 to be exact. Please consider donating to The Rotary Foundation and/or PolioPlus prior to July 1st. Currently we have saved 2526 lives in total giving, including the Annual Fund, PolioPlus, and the Endowment Fund. We are at 79% of our target of 3200 lives.

The Annual Fund, the fund that provides District Designated Funds (DDF) for our District and Global Grants, stands at 1813 Lives Saved or \$453,182. That amount means approximately \$113K for District Grants in 3 years. In other words, there will not be enough DDF to fund a District Grant for each club as we have done for the past several years, with a \$2000 match. To fund a District Grant for each club we will need to raise our Annual Fund giving to 2176 lives or \$544,000 before July 1st.

I know this has been a very unusual year, to say the least, but I'm asking you to give as you are able, so that we can support our communities, both locally and globally as we have in the past. So many of our Rotarians have stepped up to provide masks, food, and other supplies needed during this global crisis. You have truly shown, what DG Rick calls the Heart of Rotary. Many clubs used Rotary special emergency funding to make those activities happen. That money comes from the generous donations of Rotarians just like you.

Thank you to those who have given and continue to give in dollars and time.

Yours in Rotary Service,

Tim Mobley, District Rotary Foundation Committee Chair

In What Kind Of World Do You Want To Live?

By Charles Root on Saturday, June 13, 2020

Corona -19 has made more changes in the last 3 months than many of us thought possible. Are we now going back to the same world or do we have a chance for positive meaningful change?

Join me in attending The Rotary Global Cyber Peace Conference on June 27 and participate with world leaders and our peace fellow alumni in considering the options. See details at <https://rpfaa.regfox.com/rotary-peace-fellow-global-cyber-peace-conference>.

Rotaractors Making Contacts to Support The B2B Program

By Daniel J Smith on Sunday, June 14, 2020

You have to meet this team (for the full story and a brief background on these four great Rotaractors, [click here!](#)). These are the next generation Rotarians building your future, starting with the Rotary District 5110 Business Directory (www.5110b2b.org). The business directory is here to not only help you find Rotarians to work with, but also build a stronger future for the district.

These Rotaractors are part of that future so it's only right that they are on the team that is building the directory. It's their opportunity to get to know you and your business and your opportunity to share your experience and learn from them. To build the connections that only Rotary can offer, inquire today about a B2B inclusion for your business (watch for still another great business signed up by Corvallis entrepreneur Alan Underfofner in next week's eNews).
