GOVERNOR'S GAME PLAN: Beginning Our Year Together Serving Others!

By Cynthia O'Neil on Monday, July 6, 2020

Dear Rotary Members of District 5110,

Let's begin our year together serving others, strengthening the relevance of Rotary, and leading change that's meaningful. Today and every day, I ask you to think about how you can connect the passions for service among your Club members with the critical needs of those in need in your community.

When we serve others in need, magic happens. Someone will say or do something during your generous act of service that will touch your life forever, that will galvanize your determination to make your community a better place. I have been face-to-face with recipients of Rotary's generosity and have been told, "I love you," "There is a God," and "You will not forget me will you?" These are among the reasons I stay in Rotary, the reasons I give to The Rotary Foundation, and the reasons I stand here now as your District Governor. I ask you to create opportunities for service among your members and give them this insightful gift.
