## DG Cindi O'Neil unveils the new Rotary Business Network

By Cynthia O'Neil on Monday, July 27, 2020

I'm extremely pleased to announce that District 5110 has launched a re-branding of the D5110 B2B website: **ROTARY BUSINESS NETWORK**, said District Governor Cindi O'Neil today. For far too long, Rotary has overlooked the important

relationship between promoting local businesses and the ability of their Rotary owners and employees to support their communities through service, she continued.

**ROTARY BUSINESS NETWORK** (RBN) has evolved from the District's *Business-To-Business* Directory of businesses owned by or that employ D5110 Rotarians. And, when I do business with a Rotarian, I know I am working with someone I can trust, adds DG Cindi. [Click here to read DG Cindi's entire release.](#)

If you are a Rotarian and proud of your business, make sure it is listed on the **RBN** Directory. Look here: <https://rotarybusinessnetwork.org/> If your business is not listed, it can be added by clicking here for a FREE listing: <https://rotarybusinessnetwork.org/pricing/> Upgrades for a modest fee are available.

By Bill Grile on Saturday, July 25, 2020

This week we go forward to the good old days with a lookback at Rotary's visionary entrepreneur and founder, **Attorney Paul P. Harris**. It's so fitting to honor **Paul Harris** as our Business of the Week at the same time DG Cindi has launched the D5110 **Rotary Business Network** since, after all, **Paul Harris** himself launched Rotary based on fostering business relationships to advance international understanding, goodwill and cooperation for the welfare of all mankind, united through the ideal of service.
