5110 Fire Relief Fund Gains Significant Media Coverage

By Judy Corwin

From Curry County to Bend, Oregon to Houston, Texas, Rotary 5110's Fire Relief Fund earned media attention. Matt Hall published front page stories -- Rotary establishes fire relief fund for victims -- in four newspapers in Coos and Curry counties. Bend's KVTZ-TV carried the story on its TV website. Even the e-Club of Houston, Texas -- whose members include a few

Oregonians -- carried an article, Rotary helps Oregon Fire Victims.

Below are official links to all of these media outlets. Please thank them and support them.

5110's First Satellite Club Fully Engaged at Eugene's Springs Retirement Community

By Chris Waugh

District 5110♦s first Satellite Club formed at the Springs Retirement Community in Eugene after several Southtowne members moved there. Since they chartered in January 2020, they♦ve grown from 10 to 15 members. The secret to their growth has been to invite non-Rotarian residents to help with their volunteer projects.

They hold regular meetings twice a month, and maintain physical distance. At this time, no outside visitors are allowed. One new member earned his Paul Harris Award already! They focus on service. Before COVID, they hosted a performance about the ♦shortcut♦ some Oregon settlers took off the Oregon trail. At that event, they passed the hat and raised \$750 for a scholarship.

They have collected 50 bags of recyclable bottles ♦ even getting the Springs Pub to join the effort ♦ to support a tiny home project. They stuffed reading books in school bags for local kids. [With the onset of COVID, though, they really stepped into action---click here to read on about this satellite making things happen.](#)

Take #3 on Your Dose of Weekly Levity

By Mike Corwin

Between COVID and the seemingly endless stretch of regional wildfires, the need for the eNews levity is greatly enhanced these days....thus, we'll return to a combination of Murphy's Law chuckles:

1. If the shoe fits, get another one like it.
2. The things that come to those who wait, may be the things left by those who got there first.
3. God gave you toes as a device for finding furniture in the dark.
4. Give a man a fish and he will eat for a day. Teach a man to fish and he will sit in a boat all day drinking beer.

More to come.....be safe and help out those who haven't been as fortunate!

Eugene Delta Prepares and Delivers Food to the Hosea Youth Center

By Beth Sheehan

With smoky skies and AQI exceeding 500 this week in Eugene, Delta Rotarians Gael Coyle and Kim Meyers prepared and delivered food to the Hosea Youth Center which is a resource day room for homeless youth living on the streets and riverbanks around Lane County.

COVID has presented a particular challenge for these youth with closure of the library and other resources. During the particularly smoky days, Hosea opened carefully to allow these youth a break from the outside air and a warm dinner made by local volunteers. Southtowne

Rotary is also preparing meals for the Hosea Center with 45-60 kids coming in daily to shower, charge their phones and access resources and kindness.
