## This week's DG Podcast: One Rose, One Friend, One World.

By DG Cindi O'Neil

◆ A single rose can be my garden...a single friend, my world.◆◆ Leo Buscaglia

One gorgeous summer evening in August, President Kim Meyers along with members of the Eugene Delta Rotary Club, gave me a tour of the Owen Rose Garden. Rotarians in that Club have been building beautiful structures in this lovely rose garden, maintaining the rose bed borders and walkways, and ◆ dead-heading◆ these thorny beauties.

It is a place where today people can escape unsafe gatherings of the indoors and continue yoga classes, enjoy picnics, and walk among the roses; a time to stop and

◆ smell the roses.◆ But I found out it is also where Rotarians create lasting friendships, gather to serve with their families in tow and share their Rotary ◆ why.◆

## 5110 Biz of the Week: Musgrove Family Mortuaries and Cemeteries

By PDG Bill Grile

In 1911, Paul Harris wrote that Life in Rotary should be a rational mixture of business, civic activities, and good fellowship. He launched Rotary for like-minded business professionals to

amplify their fellowship and through Rotary, to strengthen businesses as well as communities. The D5110 Rotary Business Network (RBN) builds on these core principles established over a century ago. After all, wouldn't you rather do business with a Rotarian?

This week D5110 salutes Musgrove Family Mortuaries and Cemeteries and co-owner Mark Musgrove, a leader with the Rotary Club of Eugene. Learn more at <https://rotarybusinessnetwork.org/business-listing/musgrove-family-mortuaries-and-cemeteries/>

Every D5110 Rotarian with a business or profession is entitled to a FREE listing in the Rotary Business Network directory. See how it works at <https://youtu.be/bLDjnfLLYg> [Click here for more on your ability to use a Rotary-led business in your future work or personal business.](#)

◆We want to create a safe experience where our children and neighbors can continue making positive memories during trying times. We believe it would be a fresh way to support our local communities and sprinkle in some fun during a pandemic,◆ said the Rotary club◆s Public Image Chair Jenny Bouman. ◆Dress the kids up and bring them by to see the Halloween-themed area created by the Rotary Club of Greater Corvallis. At the end of the ◆tunnel show,◆ each child will receive a bag of treats to take with them all without leaving the warmth and comfort of their car.◆
