Happy St Patty's Day to all! May the luck of the Irish fall upon us. Your D5110 leadership team is constantly reviewing the latest information on the COVID-19 outbreak and considering how we as Rotary can help in the process of flattening the curve. We are working with the club presidents to help shutter our club gatherings, cancelling district events and monitoring our Youth Exchange participants to provide the best and safest environment for our communities.

Josephine County clubs embrace Parton's Imagination Library campaign

By Cynthia A. Harelson on Tuesday, March 17, 2020

The Josephine County Rotary Clubs have been sponsoring Dolly Parton's Imagination Library county-wide since June of 2018. The Dollywood Foundation has produced a film that gives a behind-the-scenes look at Dolly Parton's literacy-focused non-profit, Imagination Library. The film is set for a one-night nationwide release on April 2, 2020. We are fortunate to be able to present this film at Southgate Cinemas in Grants Pass, Oregon at 7pm.

Dolly Parton created the Imagination Library to inspire a love for books and reading amongst the nation's preschool children. Since inception in 1995, the Imagination Library has gifted more than 135 million books to children and is currently gifting books to 1.45 million children around the world each month. The Imagination Library affiliates screening the film will receive 50% of the box office proceeds to further their year-round efforts.
